call it Nails by God. He was sure
people would think He was being
disrespectful and using His own name in
vain and nobody would tip.

God needed to remember what a cool thing it was to be a guy. Or a girl. An

eagle. To be life. God went to beauty school. He went there to learn how to give a good perm. But what He was really there for was the hands. The book gives a very unique side of viewing God, but it's so beautiful. I hope the poem could give you as much blessings as it did to me.

Rylant's reflective and often humorous

verse follows God as he tries out human activities such as getting a dog, writing a fan letter, and making spaghetti. *God Went to Beauty School* combines the awesome with the everyday in an accessible, thought-provoking, and intelligent manner.
