"There is a little yellow duck to find on every page."

"Vee the Bee" not only focuses on the long vowel E sound, but is also about a sweet queen bee that is faced with something that scares her. However, instead of running

Page 6/56

away, she faces it head on with love and kindness and that is how we know Vee is a true queen bee. Learning to read can be very difficult for children. It is important that the steps are small enough to ensure success. Many early reading

Page 7/56

goose-on-the-loose-phonics-readers

children's books immediately cover all short and long vowel sounds together, which is very confusing for first time readers. Through my research, I have found that it is very important to introduce the vowel sounds one at a time. Since there are

Page 8/56

goose-on-the-loose-phonics-readers

so many first time reading books that blend too many words with too many vowel sounds together this can be frustrating for children and sometimes makes them want to shut down and give up. Therefore, I created these books so that children

Page 9/56

goose-on-the-loose-phonics-readers

can build their confidence when reading. Each book focuses on a particular vowel sound and starts out with simple words for success. This book focuses on the long vowel E sound. First, practice the focus words with your child that are in

Page 10/56

goose-on-the-loose-phonics-readers

each book. Next, each book is meant to be read by the parent to the child, then together, and eventually let the child try on their own. When reading the books, point to each word and each sound as you read it. Then, work on blending the sounds

Page 11/56

goose-on-the-loose-phonics-readers

as you point to each sound with the child. Continue practicing the focus words in each book and reading to and with your child. Since each book focuses on one vowel sound, it helps them to succeed in building their reading skills by working on

Page 12/56

goose-on-the-loose-phonics-readers

one book and therefore one vowel sound at a time. As your child builds confidence in one book, they can move to the next. Happy reading! A funny rhyming story with phonic repetition and colourful illustrations specially designed to help children

Page 13/56

goose-on-the-loose-phonics-readers

learn to read. "Goodbye!" cries Raccoon, "I'm off to the moon. I'll be back by lunchtime, or late afternoon." Goose grins and she giggles. "You foolish Raccoon!" Simple, rhyming text helps children to develop essential language and

early reading skills, and there are guidance notes for parents at the back of the book.
