Learn English grammar the way we use the English language: by following the rules by which we use it. In this book, English grammar is taught in small, discrete lessons, concentrating on one aspect of grammar at a time, and supported by worksheets on which students can practice. The course is derived from the structure of sentential logic, and the maxim of Horace, who said, "Whatever you want to teach, be brief." In this course students learn to understand and grammatically structure their sentences by means of a sequential application of the rules of grammar, using the same methods learned in mathematics and logic. In this course, grammar is taught by using it in its everyday and playful sentences, likening the rules of grammar to the rules of a game. A course used by students for almost a decade, the Grammar Game capitalizes on every student's desire to learn and understand what he or she can do to learn a putatively difficult subject. This book is the beginning of a revolution in education where the learning of languages can now be put on an equal plane with the much sought after subjects of mathematics and science in our culture, -and that is where it should be. Also look for The Grammar Game Workbook Answer Key which provides all the answers for all of the worksheets in The Grammar Game, available on line from Lulu Publishing, at www.lulu.com.

English Grammar Worksheets is full of basic American English grammar! This book contains 200 pages all about the 'Eight Parts of English.' This book breaks down grammar in an educational and simplistic manner. Broken down in ten page sections, there is a teaching page followed by a worksheet/practice page. All in easy to understand American English grammar. There are ten pages for each topic covering nouns, verbs, adjectives, prepositions, adverbs, conjunctions, interjections and pronouns. In addition, there are more subjects covered as well. They are active and passive voice, determiners, quantifiers and partitives, time adverbs, meeting the first time, saying goodbye, requests and offers, indirect questions, negative questions and question tags. Each page is printable for individual worksheets or classroom handouts. All pages are black and white. This resource book is perfect for ESL teachers as a study guide. Native American speakers will enjoy this publication as a refresher. Perfect for ages 8 and up!

The Grammar Plan - Book 3: Tenses and More! is intended as an intermediate/advanced grammar workbook for English and ESL students. The black-and-white worksheets in this book introduce the following grammar aspects: Past Continuous Tense, Present Perfect Tense, Present Perfect Continuous Tense, Passive Voice, Embedded Questions, and Relative Clauses. Each worksheet contains explanations and examples of the different grammar points written in clear, simple English, so learners should be able to understand the content and the instructions without relying on explanations from the teacher. The worksheets in The Grammar Plan progress slowly and steadily. When new or difficult information is presented, the worksheets are relatively simple, including identification and recognition exercises. The worksheets become gradually more complex, requiring learners to understand and apply the grammar points being taught.
