graduate school admission committees and fellowship sponsors assess the qualifications of applicants in specific fields of study. The tests also provide you with

an assessment of your own qualifications.

Unfortunately, there may be a final step: the GRE chemistry subject test.

This is a 3-hour, multiple-choice, paper test that

*Page 95/110*

some students  
choose to take to  
further  
demonstrate  
their aptitude in  
chemistry. I took  
the exam last  
April and wanted  
to share my  
experiences and  
tips for a  
successful test-
