“ does not back product ” Written on: 08/09/2018 by TuchmanD (1 review written) WE purchased a Gree mini split

12,000 btu from home depot had a certified electrician and an hvac a/c company here at the same time installing the mini split in our bedroom. went to turn it on and nothing worked no fan nothing. the electrician and a/c guy went over everything they said it should work.
