Guidelines for Drafting and Editing Legislation

Drafting legislation, like any other form of legal writing, comes with its own set of standards and conventions often learned partly from instruction and partly from experience. Often a legislature--and sometimes individual chambers within the legislature--will develop its own guidelines for drafting based on traditions within the chamber.

Garner's Guidelines for Drafting and Editing Contracts

Make sure that you complete the most important editing and proofreading tasks. Editing. Editing is what you begin doing as soon as you finish your first draft. You reread your draft to see, for example, whether the paper is well-organized, the transitions between paragraphs are smooth, and your evidence really backs up your argument.
