Happiness Is - Horse

Happiness in animals seems to be a popular topic at the moment. There was a recent publication of a study that concluded that snorting was a sign of "positive emotions in horses", which was just one of the many studies cited in a recent article in Popular Science that asks "Can we really ever know...

What is happiness? | Horse Crazy Once Again

A friend once told me you can only be as happy as your least happy child. So happiness is having my children happy. If horses are the medicine that has made me well then happiness is being able to ride and enjoy my relationship with these wonderful animals.

Happiness is.... – HorseAddict

Horses are Happiness... Horses are love and all things good. Horses are the calmness in your soul. Many people dream of being a horse owner but nothing compares to when you walk out your back stairs and see your horse/s.
