

Benjamin Bradlee, reigning over the capital's social scene, and remaining intimately connected with national politics, Sally Quinn yearned to understand what truly made the world—and her life—tick. After years of searching, most of which occurring in the secular capital of the world, she came to realize that the time she spent with friends and family—the evenings of shared hospitality and intimate fellowship—provided spiritual nourishment and that this theme has been woven into all the most important moments of her life. In this spiritual memoir, Quinn speaks frankly about her varied, provocative spiritual experiences—from her Southern family of Presbyterians and psychics, to voodoo lessons from her Baptist nanny, her trials as a hospitalized military kid in Japan as the Korean War begins, to her adventures as a Post reporter and columnist and her experience as one of the first female news anchors on national television; her battles with the Nixon administration, Watergate, and other scandals that have rocked the nation; her courtship and long marriage to one of the most authoritative figures in the media; her role as the capital's most influential hostess; and her growing fascination with religious issues. This fascination led to her pioneering work in creating the most visited religious site on the web, OnFaith.co, where she reports on the unseen driving force of American life. Throughout this radiant, thoughtful, and surprisingly intimate memoir, Quinn reveals how "it's all magic"—the many forms of what draws us together and provides meaning to all we do. Her roller coaster and irreverent but surprisingly spiritual story allows us to see how the infinite wonder of God and the values of meaningful conversation, experience, and community are available to us all. Finding Magic includes 16 pages of exclusive photographs.

Learn How to Write a Novel by reading Harry Potter and the Sorcerer's Stone! Learning how to write a novel is hard, but doing so by studying one of the best-selling, most-beloved novels of all time makes it a lot easier. In this book, authors and former college professors Scott King and Clark Chamberlain will teach you how to write a novel using Harry Potter and the Sorcerer's Stone as their study guide and example. Harry Potter - A Journey Through A History of Magic

Predictions and Prophecies About the End of the World

The Magical Worlds of Harry Potter (revised edition)

Harry Potter

'Welcome to the Knight Bus, emergency transport for the stranded witch or wizard. Just stick out your wand hand, step on board and we can take you anywhere you want to go.' When the Knight Bus crashes through the darkness and screeches to a halt in front of him, it's the start of another far from ordinary year at Hogwarts for Harry Potter. Sirius Black, escaped mass-murderer and follower of Lord Voldemort, is on the run - and they say he is coming after Harry. In his first ever Divination class, Professor Trelawney sees an omen of death in Harry's tea leaves... But perhaps most terrifying of all are the Dementors patrolling the school grounds, with their soul-sucking kiss... Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

All scales, fins and feathers considered, there's so much to explore when it comes to the endlessly exciting and dramatically diverse inhabitants of the wizarding world! From Acromantulas to Thestrals, this beautiful book details every monster, beast or creature that has ever appeared in any official Harry Potter book, film, or theatrical production. The Unofficial Harry Potter Bestiary includes more than 200 fascinating, magical creatures in all, with each entry providing a number of important classifications, including first appearance in Harry Potter lore, location, disposition, physical appearance, attack abilities, defenses and intriguing story facts. We've also included rich descriptions for each entry, detailing each creature's history (or biography, in the case of specific creature characters), habitat and impact on the various stories from throughout the Wizarding World. So feed your inner magizoologist's hunger for knowledge, learn more about these incredible creatures (including stories about them passed down through generations by historians and mythologists) and discover how to spot them in the wild—or even your own backyard.

This is the first extended text-based analysis of the social and political implications of the Harry Potter phenomenon. Arguments are primarily based on close readings of the first four Harry Potter books and the first two films - in other words, a 'text-to-world' method is followed. This study does not assume that the phenomenon concerns children alone, or should be lightly dismissed as a matter of pure entertainment. The amount of money, media coverage, and ideological unease involved indicates otherwise. The first part provides a survey of responses (both of general readers and critics) to the Harry Potter books. Some of the methodological decisions underlying this study itself are also explained here. The second part examines the presentation of certain themes, including gender, race and desire, in the Harry Potter books, with a view to understanding how these may impinge on social and political concerns of our world.

J. K. Rowling's popular series of books about the boy wizard Harry Potter has captivated readers of all ages around the world. Selling more than 400 million copies, and adapted into highly successful feature films, the stories have attracted both critical acclaim and controversy. In this collection of brand new essays, an international team of contributors examines the complete Harry Potter series from a variety of critical angles and approaches. There are discussions on topics ranging from fairytale, race and gender, through to food, medicine, queer theory and the occult. The volume also includes coverage of the films and the afterlife of the series with the opening of Rowling's 'Pottermore' website. Essential reading for anyone with an interest in the Harry Potter phenomenon, this exciting resource provides thoughtful new ways of exploring the issues and concepts found within Rowling's world.
