Page 149/190

Deborah Tannen's
#1 New York
Times bestseller
You Just Don ' t
Understand
revolutionized
communication
between women
and men. Now, in
her most
provocative and
engaging book to
date, she takes on
what is potentially

Page 150/190

the most fraught
and passionate
connection of
women ' s lives: the
mother-daughter
relationship. It was
Tannen who first
showed us that men
and women speak
different languages.
Mothers and
daughters speak the
same language – but
still often

Page 151/190

misunderstand each other, as they struggle to find the right balance between closeness and independence. Both mothers and daughters want to be seen for who they are, but tend to see the other as falling short of who she should be. Each overestimates the

Page 152/190

other ' s power and underestimates her own. Why do daughters complain that their mothers always criticize, while mothers feel hurt that their daughters shut them out? Why do mothers and daughters critique each other on the Big Three – hair,

Page 153/190

clothes, and
weight – while
longing for approval
and understanding?
And why do they
scrutinize each
other for reflections
of themselves?
Deborah Tannen
answers these and
many other
questions as she
explains why a
remark that would

Page 154/190

be harmless coming from anyone else can cause an explosion when it comes from your mother or your daughter. She examines every aspect of this complex dynamic, from the dark side that can shadow a woman throughout her life, to the new

Page 155/190

technologies like e-mail and instant messaging that are transforming mother-daughter communication.

Most important, she helps mothers and daughters understand each other, the key to improving their relationship. With groundbreaking

Page 156/190

insights, pitch-perfect dialogues, and deeply moving memories of her own mother, Tannen untangles the knots daughters and mothers can get tied up in. Readers will appreciate Tannen ' s humor as they see themselves on every page and

Page 157/190

come away with
real hope for
breaking down
barriers and
opening new lines
of communication.
Eye-opening and
heartfelt, You ' re

illuminates and
enriches one of the
most important
relationships in our
lives. “ Tannen

Page 158/190

analyzes and
decodes scores of
conversations
between moms and
daughters. These
exchanges are so
real they can make
you squirm as you
relive the last
fraught
conversation you
had with your own
mother or daughter.
But Tannen doesn't

Page 159/190

just point out the
pitfalls of the
mother-daughter
relationship, she
also provides
guidance for
changing the
conversations (or
the way that we
feel about the
conversations)
before they
degenerate into
what Tannen calls a

mutually
aggravating spiral, a

Megan Twohey, the untold story of their investigation of Harvey Weinstein and its consequences for the #MeToo movement For years, reporters had tried to get to the truth about Harvey Weinstein ' s treatment of women. Rumors of

Page 166/190

wrongdoing had long circulated, and in 2017, when Jodi Kantor and Megan Twohey began their investigation for the New York Times, his name was still synonymous with power. But during months of confidential interviews with actresses, former

Page 167/190

Weinstein employees, and other sources, many disturbing and long-buried allegations were unearthed, and a web of onerous secret payouts and nondisclosure agreements was revealed. When Kantor and Twohey were finally able to

Page 168/190

convince sources to go on the record, a dramatic final showdown between Weinstein and the New York Times was set in motion. In the tradition of great investigative journalism, *She Said* tells a thrilling story about the power of truth and reveals the

inspiring and affecting journeys of the women who spoke up—for the sake of other women, for future generations, and for themselves.

A frank and
entertaining
memoir, from the
daughter of
Edward Said,
about growing up
second-
generation Arab
American and
struggling with

Page 181/190

that identity. The daughter of a prominent Palestinian father and a sophisticated Lebanese mother, Najla Said grew up in New York City, confused and conflicted about

Page 182/190

her cultural background and identity. Said knew that her parents identified deeply with their homelands, but growing up in a Manhattan world that was defined largely by class

Page 183/190

and conformity,
she felt unsure
about who she
was supposed to
be, and was
often in denial of
the differences
she sensed
between her
family and those
around her. The
fact that her

Page 184/190

father was the
famous
intellectual and
outspoken
Palestinian
advocate Edward
Said only made
things more
complicated. She
may have been
born a
Palestinian

Page 185/190

Lebanese
American, but in
Said ' s mind she
grew up first as
a WASP, having
been baptized
Episcopalian in
Boston and
attending the
wealthy Upper
East Side girls '
school Chapin,

Page 186/190

then as a
teenage Jew,
essentially
denying her true
roots, even to
herself—until,
ultimately, the
psychological toll
of all this self-
hatred began to
threaten her
health. As she

Page 187/190

grew older,
making increased
visits to
Palestine and
Beirut, Said ' s
worldview
shifted. The
attacks on the
World Trade
Center, and
some of the
ways in which

Page 188/190

Americans
responded,
finally made it
impossible for
Said to continue
to pick and
choose her
identity, forcing
her to see
herself and her
passions more
clearly. Today,

Page 189/190

she has become
an important
voice for second-
generation Arab
Americans
nationwide.
That's What She
