Beat Still, My Heart. But it still beats.
Blood seeping from the severed

arteries is optional. This may be supernatural (with the heart functioning as a Soul Jar) or natural (in which case it's usually just a momentary gross-out after the heart is ripped from a living victim's chest), but it's always creepy as hell.

Beat Still, My Heart - TV Tropes
When she and Carlisle meet, the handsome blonde widow doctor has to fight to keep his vampire side under control as her blood sings to him irresistably and the years of experience at the hospital is the only thing keeping him from sinking his fangs in the big jugular vein in her neck that is filled with the sweet, luxurious glory of her blood.

4. He meets her | Singing blood, true love. A Carlisle ...

Most vampires, however, are not rolling fruit or rabbits. They are usually men or women who drink the blood of unsuspecting folk; the effects of this blood draining range from serious injury, to death, to becoming a vampire oneself.
