There were four main principles they listed to developing a "High Five" team spelled out the acronym P.U.C.K. Providing clear purpose and shared values. An over-arching team goal or purpose that everyone buys into has to be established before anything else. What is the "holy grail" that will challenge and motivate people to work together? High Five! is an ingenious effort by Ken and team to communicate the importance and dynamics of Teamwork, be in a Five-Grader Hockey League or a Fortune 500 company. The best part of the book is that there are no boring lectures and theories, as in Management books in general, instead, there is an inspiring story narrated by Alan Fosters .
