## **Expresate! Holt Spanish 2 Teacher's Edition by Holt ...**

"Conversación y repaso: Intermediate Spanish" is a textbook that's often used in traditional college classrooms. The bad news is that, because it's a college textbook, it's really pricey when bought new—over \$250. The good news is, though, that because a lot of college students were required to purchase it and are looking to recoup their losses, you can get used copies for under \$20.
