Which is why the homes she designs for her family's real estate business are the most coveted in town. The only thing not perfect? Her track record with men. Except her older brother runs the company and refuses to take her seriously. When a television producer gets wind of the Castle sibling rivalry, they're invited on Flip Off, a competition to see who can do the best renovation. Bethany wants bragging rights, but she needs a crew and the only member of her brother's construction team willing to jump ship is Wes Daniels, the new guy in town. His Texas drawl and handsome face got under Bethany's skin on day one, and the last thing she needs is some cocky young cowboy in her way. As the race to renovate heats up, Wes and Bethany are forced into close quarters, trading barbs and biting banter as they remodel the ugliest house on the block. It's a labor of love, hate, and everything in between, and soon sparks are flying. But Bethany's perfectly structured life is one kiss away from going up in smoke and she knows falling for a guy like Wes would be a flipping disaster. “Her voice feels as fresh and contemporary as a Netflix rom-com.” —Entertainment Weekly

“ Riveting and transformative, evocative and immersive...by turns vibrant and bold and wise, discovering Dorothy 's story is a singular pleasure. ” --The New York Times A remarkable, sweeping historical novel based on the incredible true life story of Dorothy Kirwan Thomas, a free Black woman who rose from slavery to become one of the wealthiest and most powerful landowners in the colonial West Indies. Born into slavery on the tiny Caribbean island of Montserrat, Doll bought her freedom—and that of her sister and her mother—from her Irish planter father and built a legacy of wealth and power as an entrepreneur, merchant, hotelier, and planter that extended from the marketplaces and sugar plantations of Dominica and Barbados to a glittering luxury hotel in Demerara on the South American continent. Vanessa Riley 's novel brings Doll to vivid life as she rises above the harsh realities of slavery and colonialism by working the system and leveraging the competing attentions of the men in her life: a restless shipping merchant, Joseph Thomas; a wealthy planter hiding a secret, John Coseveldt Cells; and a roguish naval captain who will later become King William IV of England. From the bustling port cities of the West Indies to the forbidding drawing rooms of London 's elite, Island Queen is a sweeping epic of an adventurer and a survivor who answered to no one but herself as she rose to power and autonomy against all odds, defying rigid eighteenth-century morality and the oppression of women as well as people of color. It is an unforgettable portrait of a true larger-than-life woman who made her mark on history.

New York Times bestselling author J. Kenner follows up her breathtaking Stark Trilogy with three sizzling standalone novels featuring unforgettable alpha males—and the seductive games they play. This is the series that led RT Book Reviews to proclaim, “Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them.” Now all three installments are available in one addictive ebook bundle: WANTED He is everything I crave, all I desperately want—and he is everything I can't have. Evan Black embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away, that I could never handle Evan's dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can't fight. And from the moment we touch—the passion between us consuming us both—I know that I will never be the same. HEATED I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I've fallen, there's no going back. IGNITED He promised to take me as far as I could go—and I wanted to go to the edge. My whole life has been a cover, a con, a lie. I was born into the grift, raised on the thrill of playing someone I'm not. As a rule, I never let anyone get too close—until Cole August makes it impossible for me to stay away. Cole is tough, sexy, and intensely loyal, yet his secrets are dark and his scars run deep. Not many women can handle his past, or the truth behind his fierce demands. But something about him beckons me—and our desire is a game I must play. I know he's dangerous, that even his touch is trouble, but what is passion without a little risk? Praise for the Most Wanted series “Wanted is another J. Kenner masterpiece. . . . This was an intriguing look at self-discovery and forbidden love all wrapped into a neat little action suspense package. There was plenty of sexual tension and eventually action. Evan was hot, hot, hot! Together, they were combustible. But can we expect anything less from J. Kenner?” —Reading Haven “A steamy story with a dark edge. Recommended for those seeking crime drama with spice.” —Library Journal, on Heated “[Kenner's] characters' scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure.” —RT Book Reviews, on Heated “Ignited delivers both scorching hot scenes along with the evolution and unpeeling of emotional barriers built by past dark secrets. Moreover, the characters are complex, the passion is intense and the ultimate message that love can heal all is inspiring.” —The Romance Reviews (five stars) The Most Wanted series is intended for mature audiences.

Named one of the Best Romances of 2020 by Insider and Oprah Magazine + Marie Claire's Best New Books of 2020 New York Times bestselling author Tessa Bailey returns with a unique, sexy romantic comedy about a young married couple whose rocky relationship needs a serious renovation... Rosie and Dominic Vega are the perfect couple: high school sweethearts, best friends, madly in love. Well, they used to be anyway. Now Rosie's lucky to get a caveman grunt from the ex-soldier every time she walks in the door. Dom is faithful and a great provider, but the man she fell in love with ten years ago is nowhere to be found. When her girlfriends encourage Rosie to demand more out of life and pursue her dream of opening a restaurant, she decides to demand more out of love, too. Three words: marriage boot camp. Never in a million years did Rosie believe her stoic, too-manly-to-emote husband would actually agree to relationship rehab with a weed-smoking hippie. Dom talking about feelings? Sitting on pillows? Communing with nature? Learning love languages? Nope. But to her surprise, he's all in, and it forces her to admit her own role in their cracked foundation. As they complete one ridiculous—yet surprisingly helpful—assignment after another, their remodeled relationship gets stronger than ever. Except just as they're getting back on track, Rosie discovers Dom has a secret... and it could demolish everything. "Her voice feels as fresh and contemporary as a Netflix rom-com." —Entertainment Weekly From USA Today bestselling author Jennifer Bernard comes a second chance to fall in love ... Ben, the most romantic of Jupiter Point's smoking hot Knight brothers, knew from the moment he met his high school sweetheart, Julie deGaia, that she was the one for him. Marriage, kids...he wanted forever with Julie—until the moment she skipped town without a word. Then Ben's father was murdered, and his life was irrevocably changed. Now, after twelve years, Julie's back. Ben's over her, of course. They're completely different people now. Right. If they're so different, why do his feelings for her seem so damn familiar? And how, after all this time, can she still make Ben so hot and

bothered? Julie was never supposed to return to Jupiter Point. It's only by staying away that she's ensured her safety. But she owes a huge debt to the wealthy and demanding Reinhard family, who took her in as a child. What the Reinhard family want, they get, so here she is, dodging a handsomer-than-ever Ben Knight. Her former sweetheart has turned into a hunky pilot who aims that sexy smile at everyone except her—until he learns the truth about why she left in the first place. If the past can't keep Ben and Julie apart, a deadly threat in the present might. As for that idyllic future they always dreamed about? It might take some Jupiter Point magic to put this star-crossed couple on the road to happy ever after.

She wants a fake relationship. He needs something real. If there's one thing Rae can't stand, it's pity. She's forty, frazzled, and fed up—so attending an awards ceremony alone while her ex swans about with his new wife? Not an option. To avoid total humiliation, Rae needs a date of her own. And her young, hot-as-hell new best friend is the perfect candidate... Zach Davis, king of casual hookups, has a secret: the notorious womaniser craves emotional connection, and anonymous encounters leave him feeling hollow. After years of performance, Zach's desperate to be himself. So why does he agree to play Rae's fake boyfriend? And why does it feel so easy? When the line between pretence and desire blurs, Zach's forced to face an unexpected truth: there's nothing phoney about his need for Rae. But the jaded divorcée's been hurt by playboy men before. Can a weekend of faking it prove that Zach's for real? The Ravenswood Series #1: A Girl Like Her #1.5:

Savannah, Georgia: city of history, mystery, and more than a few ghosts, as well as four best friends who have never fit in anywhere except with each other. But everything is about to change as an unsolved murder from decades ago draws them close--and closer still--to four sexy bachelors with secrets of their own. . . Savannah When It Sizzles In the "new" old south, pedigree and money still mean plenty. . . especially when you have neither. P.I. Charlotte deShawn and her friends Prissy, BrieAnna, and Bebe know all too well what it's like to be on the outside looking in, having grown up with more questions than answers about the parents they each lost at an early age. For Charlotte, enduring condescending looks and whispers only made her more determined to ignore social standing. So why should it be a problem when wealthy hotel owner Griff Parish wants to hire her to find the missing heir to his family fortune? Just because their chemistry is hotter than Georgia in August doesn't mean she can't be a pro about this. After all, they travel in completely different circles--or they did until now. . . Griff's always had a thing for Charlotte, with her long red hair, big green eyes, and wild streak. Even the hefty chip on her shoulder only reminds him of how strong she is. Still, nothing's ever come of the attraction. Now, however, the temptation Charlotte represents is too close to ignore. True, Griff got himself into this fix. He could have hired a different detective agency--but that wouldn't have served his ends. He has damn good reason to keep Charlotte deShawn close, and it has nothing to do with her keen mind or her gorgeous body. Yeah, right. Falling hard for Charlotte wasn't part of the plan, but in Savannah, what you expect is just about never what you get. . .

Despite pioneering studies, the term 'romance novel' itself has not been subjected to scrutiny. This book examines mass-market romance fiction in the U.K., Canada, and the U.S. through four categories: capitalism, war, heterosexuality, and white Protestantism and casts a fresh light on the genre.
