Joshua Mills goes beyond the usual takes on angels regarding spiritual warfare and explores who they are, how to recognize them, and what they do. Part I, *Understanding Your Angels*, is all about understanding who angels are, exploring why they are necessary and how different angels minister comfort, healing, love, prosperity. It reveals who they carry out specific geographic assignments for cities and nations, as well as the more unique and extraordinary assignments they receive. Part II, *Discerning Your Angels*, explains how to become more aware of the unseen heavenly realm, as well as how to recognize divine intervention when it does

reveal itself to human sight. Such manifestations include random strangers, visions, or signs and messengers that believers receive. Joshua also explains the way he has interacted with visions of radiant light, swirling colors, and what he describes as atmospheric shifts. All of this is intended to make believers become more aware of both invisible and revealed spiritual realities. Part III, Working with Your Angels, deals specifically with how to minister alongside these heavenly messengers as they stand watch, provide protection, and administer strength and comfort. This includes recognizing their movements and how to effectively pray for angelic encounters to take place. With

a foreword by Patricia King, *Seeing Angels* is among the most comprehensive teachings on recognizing angelic beings and understanding how to partner with them in ministry.

all." Your Guardian Angel and You is a thoroughly intriguing read about the fascinating history of the Guardian Angel, why you need one, and how to prepare to meet yours.
