

# Hsc Biology Textbook

Understanding of biology will help in the sustainable development of the environment and will also ensure the existence of earth with all its amazing diversity. This syllabus is designed to prepare students for various examinations conducted at state and national level.

Biology. Biology is the science of living beings. The term Biology comes from two Greek words (bios means life and logos means knowledge). Aristotle is regarded as the father of Biology. We find two types of life in nature. One is plant while the other is animal. Accordingly Biology has been divided into two branches: Botany and Zoology.

Biology textbook of class 12th Maharashtra Board is divided into 2 sections namely Botany and Zoology. The 1st part Botany includes chapters such as Genetics Basis of Inheritance, Gene, Biotechnology and its Application, Biology and Human Welfare, Plant Physiology, Reproduction in Organisms and Ecology.

**Maharashtra Board 12th Biology Textbook PDF | MSBSHSE | BYJU'S**

The HSC Biology course consists of three core modules that make up 90 indicative hours in total, and ONE option that makes up 30 indicative hours. The core modules studied are: Maintaining a Balance (30 indicative hours); Blueprint of Life (30 indicative hours); The Search for Better Health (30 indicative hours).
