HUMAN RESOURCE MANAGEMENT IN EDUCATION: ISSUES AND ...

"Ronald W. Rebores textbook, Human Resources Administration in Education is the very best human resource management text I have read thus far. I have examined several other textbooks by various authors and have yet to find a comparable survey work which examines all the relevant functions of human resource management in a more concise and vivid manner for graduate students.

Current concerns include the impact of new laws related to disabilities, civil rights, family and medical leave, and the testing of school bus drivers for alcohol and controlled substances. Also examined are human resources' responsibilities to military reservists and National Guard units entering active duty.
