

I Ching Walking Your Path Creating Your Future

The I Ching, or Book of Changes, a common source for both Confucianist and Taoist philosophy, is one of the first efforts of the human mind to place itself within the universe. It has exerted a living influence in China for 3,000 years, and interest in it has been rapidly spreading in the West.

Nothing Bad Happens in Life, Nature's Way of Success presents nature as the ultimate teacher of how to overcome all obstacles. The natural world is relentless in its ability to overcome any barriers to its forward progress and by exploring it's ability to renew itself, you will discover how you are also driven by it's mechanisms of self-determination and rebirth. Life's secret is that it has been committed to your success since the beginning. This illuminating and timely book explores nature's diversities and commitment to growth to reveal its essential goodness. Based on the ancient wisdom of the I Ching and Tao te Ching, this book is a valuable tool for leadership training, or for those in search of a more grounded and natural approach to spirituality and wellness.

Step into the Labyrinth Sacred Practices for Health, Wisdom, and True Purpose The labyrinth is an enigma, a seemingly ordinary symbol that has the power to open the gateway to profound self-discovery. Within its coils and turns, secret wisdom is revealed that has the potential to help humanity on its journey toward spiritual advancement. In this book, spiritual teacher Tony Christie shares new information and powerful techniques for exploring the labyrinth as a source of wonder, wisdom, healing, and enlightenment. Discover how to work with labyrinths to quiet your mind and gain insights and answers for the questions that matter most to you. Use the labyrinth as a safe container for letting go of your troubles and finding that peaceful place within yourself. Learn about the fascinating connections between the labyrinth and tarot, alchemy, crop circles, and the cosmos. With the right guidance and intention, every step you take in a labyrinth can bring you greater understanding of your life's purpose on your own sacred journey. Praise: "Tony combines a deep wisdom of labyrinths and his personal experience to offer an opportunity to the reader to explore the labyrinth of their own sacred being. I love the mix of practical and theory. A truly enjoyable read."—Abby Wynne, author of *How to Be Well* and *AZ Spiritual Colouring Affirmations* "This book is a confident statement of the limitless possibilities of the labyrinth on all levels of existence, material and immaterial."—Robert Ferré, master labyrinth builder and author of *The Labyrinth Revival* "This book by Tony Christie covers the entire spectrum of time—back to the Big Bang and into the Future. If you are to read only one book on labyrinths, this is the one to read."—Sig Longren, author of *Labyrinths: Ancient Myths and Modern Uses* "This is an important book for anyone interested in working with labyrinths or who wishes to try to gain some understanding of the immense power of them."—Yvonne Ryves, author of *Shaman Pathways—Web of Life*, shamanic healer, Reiki master, and past life therapist "Well researched and written with a steady hand and heart, Labyrinth offers Tony Christie's unique understanding of this amazing tool."—Lauren Artress, author of *Walking a Sacred Path* "Readers interested in esoteric spiritual traditions will find much to enjoy in Christie's tutorial on the spiritual powers of labyrinths."—Publishers Weekly

From the acclaimed translator of the *Tao Te Ching* and *The Art of War*, his award-winning

translation of the ancient Chinese oracle and book of wisdom, in a stunning Penguin Classics Deluxe Edition Pose a question, then toss three coins (or cast your yarrow stalks) to access the time-honored wisdom of the I Ching. The I Ching, or Book of Change, has been consulted through the ages, in both China and the West, for answers to fundamental questions about the world and our place in it. The oldest extant book of divination, it dates back three thousand years to ancient shamanistic practices involving the ritual preparation of the shoulder bones of oxen. From this early form of communication with the other world, it has become the Chinese spiritual book par excellence. An influence on such cultural icons as Bob Dylan, John Cage, Merce Cunningham, Philip K. Dick, and Philip Pullman, the I Ching is turned to by millions around the world for insights on spiritual growth, business, medicine, genetics, game theory, strategic thinking, and leadership, and of course for the window it opens on China. This new translation, over a decade in the making, is informed by the latest archaeological discoveries and features a gorgeously rendered codex of divination signs—the I Ching ’ s sixty-four Tarot-like hexagrams. It captures the majesty and mystery of this legendary work and charts an illuminating path to self-knowledge. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. The Definitive Translation by Taoist Master Alfred Huang

12 Rules for Life

Daodejing

The Untethered Soul (EasyRead Super Large 18pt Edition)

Understanding the I Ching

Interrupted

A Religion of One's Own

The New York Times bestselling author and trusted spiritual adviser offers a follow-up to his classic *Care of the Soul*. Something essential is missing from modern life. Many who ’ ve turned away from religious institutions—and others who have lived wholly without religion—hunger for more than what contemporary secular life has to offer but are reluctant to follow organized religion ’ s strict and often inflexible path to spirituality. In *A Religion of One ’ s Own*, bestselling author and former monk Thomas Moore explores the myriad possibilities of creating a personal spiritual style, either inside or outside formal religion. Two decades ago, Moore ’ s *Care of the Soul* touched a chord with millions of readers yearning to integrate spirituality into their everyday lives. In *A Religion of One ’ s Own*, Moore expands on the topics he first explored shortly after leaving the monastery. He recounts the benefits of contemplative living that he learned during his twelve years as a monk but also the more original and imaginative spirituality that he later developed and embraced in his secular life. Here, he shares stories of others who are creating their own path: a former football player now on a spiritual quest with the Pueblo Indians, a friend who makes a meditative practice of floral arrangements, and a well-known classical pianist whose audiences sometimes describe having a mystical

experience while listening to her performances. Moore weaves their experiences with the wisdom of philosophers, writers, and artists who have rejected materialism and infused their secular lives with transcendence. At a time when so many feel disillusioned with or detached from organized religion yet long for a way to move beyond an exclusively materialistic, rational lifestyle, *A Religion of One's Own* points the way to creating an amplified inner life and a world of greater purpose, meaning, and reflection.

The *I Ching*, or "Book of Change," is considered the oldest of the Chinese classics and has throughout history commanded unsurpassed prestige and popularity. Containing several layers of text and given numerous levels of interpretation, it has captured continuous attention for well over two thousand years. It has been considered a book of fundamental principles by philosophers, politicians, mystics, alchemists, yogins, diviners, sorcerers, and more recently by scientists and mathematicians. This first part of the present volume is the text of the *I Ching* proper—the sixty-four hexagrams plus sayings on the hexagrams and their lines—with the commentary composed by Liu I-ming, a Taoist adept, in 1796. The second part is Liu I-ming's commentary on the two sections added to the *I Ching* by earlier commentators, believed to be members of the original Confucian school; these two sections are known as the Overall Images and the Mixed Hexagrams. In total, the book illuminates the Taoist inner teachings as practiced in the School of Complete Reality. Well versed in Buddhism and Confucianism as well as Taoism, Liu I-ming intended his work to be read as a guide to comprehensive self-realization while living an ordinary life in the world. In his attempt to lift the veil of mystery from the esoteric language of the *I Ching*, he employs the terminology of psychology, sociology, history, myth, and religion. This commentary on the *I Ching* stands as a major contribution to the elucidation of Chinese spiritual genius.

This new translation of the *Yijing* offers a traditional reading that refreshes and expands on the original text making it relevant for the modern world. It provides a detailed commentary explaining the underlying structure, philosophy and history of the book, and gives practical instructions for consulting the oracle using yarrow sticks or coins.

“ A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious. ” —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to

face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The I Ching or Book of Changes

I Ching, Or, Book of Changes

Beloved guru Ram Dass tells the story of his spiritual awakening and gives you the tools to take control of your life in this “counterculture bible” (The New York Times) featuring powerful guidance on yoga, meditation, and finding your true self. When *Be Here Now* was first published in 1971, it filled a deep spiritual emptiness, launched the ongoing mindfulness revolution, and established Ram Dass as perhaps the preeminent seeker of the twentieth century. Just ten years earlier, he was known as Professor Richard Alpert. He held appointments in four departments at Harvard University. He published books, drove a Mercedes and regularly vacationed in the Caribbean. By most societal standards, he had achieved great success. . . . And yet he couldn’t escape the feeling that something was missing. Psilocybin and LSD changed that. During a period of experimentation, Alpert peeled away each layer of his identity, disassociating from himself as a professor, a social cosmopolite, and lastly, as a physical being. Fear turned into exaltation upon the realization that at his truest, he was just his inner-self: a luminous being that he could trust indefinitely and love infinitely. And thus, a spiritual journey commenced. Alpert headed to India where his guru renamed him Baba Ram Dass—“servant of God.” He was introduced to mindful breathing exercises, hatha yoga, and Eastern philosophy. If he found himself reminiscing or planning, he was reminded to “Be Here Now.” He started upon the path of enlightenment, and has been journeying along it ever since. *Be Here Now* is a vehicle for sharing the true message, and a guide to self-determination. On the day you were born, you were imprinted with a plan and a purpose – elegant patterns that can be read to see who you really are and what your true calling is. And like your own personal map, the design for each phase of your life journey was created on the day of your birth. Based on ancient Chinese principles of balance and health, this book gives you a rich understanding of your hidden symmetry – the intricate inner design that influences who you are and how your life unfolds. This book is not about astrology or numerology; it is grounded in thousands of years of research about how time moves in natural patterns that profoundly affect you. You can use this knowledge to discover the themes running through your life experience, tap into your core strengths, find lasting love, and do your best work in the world. Jean Haner shows you how to

ride the waves instead of fight the current of your life, make the best use of what's coming in future years, and understand why things happened as they did in the past. Jean will guide you to discover who you really came here to be, recognize the true nature of everyone you meet, and break free of old limitations – to create a life of conscious vitality, joy, ease, and love!

The I Ching is an ancient Chinese work of divination that examines the patterns, or hexagrams, traditionally formed by dropping bundles of dried grass stalks. This edition features interpretations of the 64 hexagrams, including the Judgment, written by King Wen in the 12th Century BCE; The Commentary and The Image (both attributed to Confucius); and The Lines, written by King Wen's son, and here enhanced by modern commentary.

81 Zen Encounters with the Tao Te Ching

Be Your Own Psychic Advisor Using the World's Oldest Oracle

The West's foremost translator of the I Ching, Richard Wilhelm thought deeply about how contemporary readers could benefit from this ancient work and its perennially valid insights into change and chance. For him and for his son, Hellmut Wilhelm, the Book of Changes represented not just a mysterious book of oracles or a notable source of the Taoist and Confucian philosophies. In their hands, it emerges, as it did for C. G. Jung, as a vital key to humanity's age-old collective unconscious. Here the observations of the Wilhelms are combined in a volume that will reward specialists and aficionados with its treatment of historical context--and that will serve also as an introduction to the I Ching and the meaning of its famous hexagrams.

An in-depth introduction to the mysteries of the I Ching describes the history, philosophy, interpretation, and practical applications of the ancient text and provides a definitive new translation of the text that includes sixty-four chapters based on the six-line figures around which the Book of Changes is organized. 15,000 first printing.

Combining humor, honesty, and plainspoken advice, Momma Zen distills the doubts and frustrations of parenting into vignettes of Zen wisdom. Drawing on her experience as a first-time mother, and on her years of Zen meditation and study, Miller explores how the daily challenges of parenthood can become the most profound spiritual journey of our lives. This compelling and wise memoir follows the timeline of early motherhood from pregnancy through toddlerhood. Momma Zen takes readers on a transformative journey, charting a mother's growth beyond naive expectations and disorientation to finding fulfillment in ordinary tasks, developing greater self-awareness and acceptance—to the gradual discovery of "maternal bliss," a state of abiding happiness and ease

that is available to us all. In her gentle and reassuring voice, Karen Miller convinces us that ancient and authentic spiritual lessons can be as familiar as a lullaby, as ordinary as pureed peas, and as frequent as a sleepless night. She offers encouragement for the hard days, consolation for the long haul, and the lightheartedness every new mom needs to face the crooked path of motherhood straight on.

This book is an entirely new version of the I Ching. It is the result of discovering a totally new way of consulting the oracle. I Ching: The Oracle of the Cosmic Way is a book that shows two layers of text, side by side, one layer being the feudal overlays over the original oracle text, the other showing the 'Cosmic Way' - the Cosmic Principles that are the subject of each hexagram.

64 Faces of Awakening

'Of ways you may speak, but not the Perennial Way; By names you may name, but not the Perennial Name.' The best-loved of all the classical books of China and the most universally popular, the Daodejing or Classic of the Way and Life-Force is a work that defies definition. It encapsulates the main tenets of Daoism, and upholds a way of being as well as a philosophy and a religion. The dominant image is of the Way, the mysterious path through the whole cosmos modelled on the great Silver River or Milky Way that traverses the heavens. A life-giving stream, the Way gives rise to all things and holds them in her motherly embrace. It enables the individual, and society as a whole, to harmonize the disparate demands of daily life and achieve a more profound level of understanding. This new translation draws on the latest archaeological finds and brings out the word play and poetry of the original. Simple commentary accompanies the text, and the introduction provides further historical and interpretative context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The chapters of this book are nothing but mirrors for seeing your 'self' from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of 'self,' what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: 'This above all: to thine own self be true.' ---- Introduction

An important, new interpretation of the I Ching, the 5,000-year-old Chinese book of wisdom, in a unique workbook format designed to help truth-seekers find new meaning and enlightenment in its ancient lore. Designed for those actively exploring this ancient system in order to better understand their lives, The I Ching Workbook serves as a simple guide to the study and interpretation of the I Ching's advice. It provides a format for each of the 64 hexagrams that allows one to record the various responses of the I Ching. Insights regarding health, relationships, business, politics, travel, career, social events, and inner development have been sought of the I Ching, or Book of Change, for thousands of years. With continued consultation of the I Ching concerning all aspects of your life, you will begin to perceive patterns to the I Ching's responses—and therefore, certain patterns to the changes in your life. R.L. Wing's new interpretation incorporates cultural and linguistic changes that will greatly enhance your understanding of our world's most ancient book. You can now begin to use this valuable tool to bring new meaning and

insight into your life.

The 10th anniversary edition of A New Earth with a new preface by Eckhart Tolle. With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, A New Earth is a profoundly spiritual manifesto for a better way of life—and for building a better world.

How to Use the I Ching

A Guide to Working with the Oracle of Change

The Complete I Ching – 10th Anniversary Edition

An Antidote to Chaos

Your life will never be the same again! The I Ching can entirely change the way you see things, helping you recognize and resolve anxieties and fears, fulfill your every desire; and release hidden energies. Developed over 3,000 years ago in China, it was originally intended only for rulers, but now can help anyone. Inspired by Carl Jung's insights into the psyche, and researched for more than 50 years through the aid of the Eranos Foundation of Switzerland, this fully revised edition offers much more than just a new translation. It presents the oracular core of the I Ching as a psychological tool and a way of connecting with the creative imagination. The original imagery is retained in its entirety, so all the symbols can interact with your mind just as dream images do. Consult it for any question that concerns you, and it will become an active sourcebook for the care of the soul.

Chen presents the Tao in an innovative, yet beautifully appropriate format.

A Journey From Lost to Found. At 26, Cheryl Strayed thought

she had lost everything. In the wake of her mother's rapid death from cancer, her family disbanded and her marriage crumbled. With nothing to lose, she made the most impulsive decision of her life: to walk eleven-hundred miles of the west coast of America - from the Mojave Desert, through California and Oregon, and into Washington State - and to do it alone. She had no experience of long-distance hiking and the journey was nothing more than a line on the map. This account captures the agonies - both mental and physical - of her incredible journey.

Consulted by millions, the I Ching is one of the oldest and most widely used divination systems ever devised. Since ancient times it has provided its readers with insight into their own lives and guidance for the future. All too often, however, the available translations have blurred the basic message of the I Ching's hexagrams and obscured their relevance. Utilizing the knowledge gained from many years of using the I Ching in her practice, psychotherapist Sarah Dening provides, with this translation, a valuable resource not only for help with life's extraordinary passages but something that should be consulted daily as one would a trusted friend. Dening details how to use and read the I Ching's hexagrams and gives insight on how to relate the ancient wisdom of the I Ching's hexagrams to the trials and tribulations of everyday modern life. The Everyday I Ching fills the long-standing need for a clear, focused rendering of the I Ching-one which makes its timeless wisdom accessible to everyone.

#1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible

fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

Gives a clear and comprehensive introduction on how to use the 3,000 year old oracle. Includes simple instructions on making consultations.

With fifteen cents and five minutes, you too can use and understand the I Ching With six coins (one dime and five pennies) and this easy-to-use guide, tapping into the synchronicity of the universe is simpler and more rewarding than ever.

'The Wisdom Keepers Inner Guidebook' welcomes you into the gaze of the 64 Faces of Awakening, each here to recognize your worth, reflect your beauty and love you unconditionally. The Wisdom Keepers share their teachings through intimate stories, contemplative questions and practical suggestions for how to access your wisdom, open to your gifts and fulfill your potential. 'The Wisdom Keepers Inner Guidebook' is best used with its companion, the magical 'Wisdom Keepers Oracle Deck' (available on the wisdomkeepers.net website). Both are empowering tools of self-acceptance, understanding and healing. Rosy has joined her 64 Faces of Awakening with archetypal themes and concepts found in the 64 hexagrams of the I Ching and explored in Richard Rudd's profound visionary book, The Gene Keys.

Amidst the Stars
I Ching

The I Ching (pronounced ee-ching) is the oldest and most respected oracle or divinatory system in the world. There are currently two translations available which offer somewhat conflicting interpretations - the popular Confucian

version and an earlier Taoist version called Zhouyi. Reconstructed by twentieth-century scholars and archaeologists, Zhouyi presents the highly imaginative world of myth and ritual that is the hidden base of thousands of years of Eastern thought. Now, for the first time ever, Stephen Karcher fuses these two traditions using modern scholarship and archaeological and linguistic research, along with a wide background in Eastern philosophy and comparative religion, and presents them to the modern Western reader in a comprehensive and accessible new form. TOTAL I CHING is a complete oracle with instruction for immediate use in all life situations, but is also the first translation to detail the mythology of the divinatory system, offering a revolutionary new approach to the world's oldest wisdom tradition.

Kathrine Lee...has an amazing ability to cheer people on to become who God designed them to be by communicating life changing stories wrapped in God's truth.-Lysa TerKeurst, President of Proverbs 31 Ministries and New York Times best-selling author The world can be full of challenges. Often, we must fight to see the good in the world. Kathrine Lee refuses to give up the fight. She believes there is good in the world, despite the pain and challenges we face. Learn how she found the spiritual strength and courage to stand up to disappointments and pain and find her path forward. A path that leads to joy, hope, and adventure. Lee left the church at a young age and wandered through dark valleys until she found her way back to the light. Once there, she became a passionate crusader for love and justice. In Interrupted, Lee discusses how she made the decisions that have given her such a fulfilling, satisfying spiritual and emotional existence. She shares her concern for anyone-but especially women-who has not felt the transformative power of God's grace. As Lee writes, that pain can be turned into an amazing purpose! Proceeds of her book will help her continue her work with Pure Hope Foundation, her nonprofit that assists in the restoration of those victimized by sex trafficking. "

A practical guide to the mystical and a mystical guide to the practical, this book results from a painstaking comparison of thirty editions of the Tao Te Ching. The chapters of the ancient original work, synthesized from the author's comparisons, are each followed by detailed

paraphrases. These explain the Tao more clearly, yet retain the shrouded truth of the original.

Introduces a spiritual path of personal transformation and rebirth. This book draws on the wisdom of shamans, Tibetan Buddhists, and ancient Egyptians, Michelle Belanger and illuminates death as a beautiful gateway to change and regeneration.--Worldcat.

Your Hidden Symmetry

Labyrinth

Walking the Way affirms that, like yin and yang, the flowing spontaneity of Tao and the precise simplicity of Zen find perfect balance with one another. Robert Meikyo Rosenbaum brings the two traditions together in a unique presentation that elicits Zen insights from his fresh interpretation of verses from the Taoist classic, the Tao Te Ching. Personal anecdotes illustrate the dynamic potential of Rosenbaum's approach, skillfully revealing Zen within the Tao and the Tao of Zen. Not only does the author reveal the elegance of each tradition, he shows how their interrelatedness does, in fact, have import on our meditative practices and on our day-to-day lives. Parenting, meditating, dealing with setbacks and illnesses--Walking the Way shows us how to live well in the midst of many complex demands, finding harmony and equilibrium between honing in and letting go, balance between being ourselves and selflessly serving others. A revised edition of the definitive translation of the world's most important book of divination • More than 64,000 copies sold of the first edition • The first English translation from within the tradition by a Chinese Taoist Master • Includes translations of the Ten Wings--the commentaries by Confucius essential to the I Ching's insights Translated by the eminent Taoist Master Alfred Huang, The Complete I Ching has been praised by scholars and new students of the I Ching since its first edition. A native Chinese speaker, Master Huang first translated the original ideograms of the I Ching into contemporary Chinese and then into English, bringing forth the intuitive meanings embodied in the images of the I Ching and imbuing his translation with an accuracy and authenticity not possible in other English translations. However, what makes his translation truly definitive is his return to prominence of the Ten Wings, the commentaries by Confucius that are essential to the I Ching's insights. This 10th anniversary edition offers a thorough introduction to the history of the I Ching, how to use it, and several new divination methods; in-depth and easy-to-reference translations of each hexagram name, description, and pictogram; and discussions of the interrelations between the hexagrams and the spiritual meaning of their sequence.

From Paulo Coelho, author of the international bestseller *The Alchemist*, comes a poignant, richly poetic story that reflects the depth of love and life. Rarely does adolescent love reach its full potential, but what happens when two young lovers reunite after eleven years? Time has transformed Pilar into a strong and independent woman, while her devoted childhood friend has grown into a handsome and charismatic spiritual leader. She has learned well how to bury her feelings . . . and he has turned to religion as a refuge from his raging inner conflicts. Now they are together once again, embarking on a journey fraught with difficulties, as long-buried demons of blame and resentment resurface after more than a decade. But in a small village in the French Pyrenees, by the waters of the River Piedra, a most special relationship will be reexamined in the dazzling light of

some of life's biggest questions.
