Indias Economic Development Since 1947

In order to understand
India's economic
voyage, it is essential

Page 12/93

to shed some light on India's political and economic history. After 200 years of British rule, India became an independent sovereign nation in 1947. This newly born nation faced a number of issues including a shattered economy, a minimal rate of literacy and

Page 13/93

horrific poverty.

History of Economic Growth in India

Economic history of India. The economic history of India is the story of India's evolution from a largely agricultural and trading society to a mixed economy of manufacturing and services while the

Page 14/93

majority still survives on agriculture. Prior to 1947 that history encompasses the economy of the Indian subcontinent,...

Economic history of India - Wikipedia

After Independence, India has adopted mixed economy as economic developmental
