Introduction to Music and Art in  
the Western World by Wold ...

23092020 · INTRODUCTION

In western classical music, it is  
of regular practice to play and  
record the same works of art  
overtime. Regarding works  
independently from recordings  
is of central interest for a wide  
range of applications. We  
propose a fingerprint  
mechanism and a series of  
experiments considering the  
original material.
