BA 310 Chapter 5 and 6. Culture is not inherited; it is learned through parents, friends, schools, etc. It is the responsibility of the global firm to ascertain the level of importance of various aspects of culture in the foreign market it serves, and recognize these

Page 25/106

aspects when doing business overseas.

BA 310 Chapter 5 and 6 Flashcards |
Quizlet

Fluctuations in the level of economic activity create business cycles that affect businesses and individuals in many

Page 26/106

ways. When the economy is growing, for example, unemployment rates are low, and income levels rise. Inflation and interest rates are other areas that change according to economic activity.
