daughter play along with her to keep

her balanced (or as close to balanced

that a woman with an invisible child

can be). However, when the family hires

a new nanny, it is all just too much

for her and she starts to blab. Written

The Invisible Child If something is invisible, it is hidden, unseen in physical consciousness, by choice or design. This not only applies to adults, but children, ideas, hopes, dreams, fears, and truths. Within our crystal creation, our crystalline body or matrix, there exists an invisible child longing to be recognized and set free.
