Author Haje Jan Kamps knows that you are travelling for two good reasons: to experience great things, and to get great photos of your travels. He also understands very well how people's eyes

tend to glaze over when phrases like "Circles of Confusion" or the "Inverse Square Law" are brandished about, and focuses instead on great photographs, and how to take them. A realistic and easy-to-follow approach to travel photography puts the fun back into photography, and by following a series of simple exercises, you'll learn much more about photography than you would have thought possible! Focus on Travel Photography covers the basics of photography in brief before throwing itself into the real essence of

travel photography: landscapes, people, and capturing the spirit of your destination. Finally, the author explores how you can download, edit, and distribute your photos while you're on the move—all without being over-burdened with equipment.

Designing effective organizations is a key challenge for companies in particular in the fast-moving business world of today. The late 1990s and early 2000s have seen multiple Organization Management innovations applied successfully such as Business Process Outsourcing, Shared Services and Offshoring. Advanced techniques such as Balanced Scorecards and integrated Planning Systems have become effective enablers for strategy execution. This book spans a framework from strategy definition and designing strategy-

compliant organizations to monitoring effective implementation and Performance Management. On this journey basic principles of Organization Management are discussed in detail and at the same time state-of-the-art Best Practices are highlighted. A set of to-the-point case studies demonstrate how leading-edge companies make effective use of the concepts discussed. The approach of the book is of great use for both: students underway to become Organization Management practioners and experienced business experts in search of the latest thinking and tools to enhance Organizational Effectiveness - and everybody in between.
