

Iti Romani

Der Übergang von der römischen Herrschaft zu jener der Agilolfinger ist nach wie vor ein dunkles Kapitel bairischer Frühgeschichte. In der Forschung zur Konstituierung frühmittelalterlicher Herrschaften im Gebiet des Imperium Romanum steht die Suche nach Kontinuitäten und Traditionsbrüchen im Vordergrund. Mit dem Konstrukt der Fiskalsukzession, der Übernahme römischer Rechts und Besitztitel in die Verfügungsgewalt nachfolgender Herrscher, greift die Autorin den Kontinuitätsaspekt auf: Wurde die neue Herrschaft auf der Basis antiker Rechtsgrundlagen ausgestaltet und wenn ja, wie sind solche Anknüpfungspunkte zu fassen? Die Antwort liefert ein umfassender Blick auf die Entwicklung des Alpen-Donau-Raumes

seit der r ö mischen Okkupation sowie auf Tradition und Anwendung r ö mischer Rechtsvorstellungen.

Roman Lives, Corrected Edition

Behold, I Am, Jesus Crisostomo:

Playwright / Adtoy, Siak, Ni Jesus

Crisostomo: Dramaturgo

The novel consists of 24 chapters with epigraphs from 12 renowned authors in the world and 12 from the Scriptures. It is contemporaneous and provocative in presenting the illness of society and that may awaken the lethargy of the readers. The response of the author with the remarks of the readers is included.

In this important
contribution to contemporary
Romani Studies, Jan Ort
focuses his anthropological
research on a village in
eastern Slovakia with a
reputation for the
'harmonious coexistence' of
its ethnically and
linguistically heterogeneous
populace. The author offers
an ethnographic critique of

this idyllic view, showing how historical shifts, as well as the naturalization of inequality and hierarchies, have led to the present situation; however, he also shows examples and methods of subversion and resistance to the village's current power dynamics. Based primarily on participant observation within Romani families, the author's long-term research results in a fascinating text replete with ethnographic descriptions that allow readers to understand local, experiences, contexts, and divisions. These insights about the village lead to

the key question of the
book: Who actually is a
local?

Roman Lives, a new edition to the
Focus Classical Sources library, is a
sourcebook that explores ancient life in
all strata of Roman society by
examining the epitaphs and other
inscriptions in Latin. For departments
of Classics at the high school or college

level which offer Roman Civilization,
Epigraphy, or Roman culture courses.
