A mouse-sized kid tackles giant-sized tasks in this classic picture book from the brilliant mind that brought you *The Fantastic Flying Books of Mr. Morris Lessmore*. When he wakes up a tenth of his normal size, unflappable George doesn't mind at all. Now he can fly his toy plane, for real! Swim with this goldfish! Sled down the dishes on a sponge! But reality soon sets in: how will he be able to make his bed, brush his teeth, or take care of his baby brother—when he's no bigger than a spoon? And...is that a cat lurking 'round the corner? William Joyce's classic, which was made into an Emmy Award-winning television show, is back!

When challenged to write a Twelve Days of Christmas exposé for the *Wrestling World Observer*, journalist Laura Ellis sees the opportunity of a lifetime to work with her wrestling icons. Teamed with her favorite professional wrestler, Jack "Dawson Inferno" Frost, she struggles to uncover the secret world of the renowned superstar. Jack is not an eager participant in the documentary designed project. Finding himself attracted to the provocative reporter, he argues against sharing too much of his personal life to keep his anonymity. Laura learns the reasons behind his mysterious persona is to protect his family and the dark history of the Frost empire. When an offer to live out her dreams as a wrestler from the owners of *Wrestling Masters* is presented, she must decide between the job with security, or the wrestling career she's always longed for. While training with the wrestling leaders, she struggles with the demands of her editor to seduce Jack, aka Dawson Inferno, to get the story of his buried secrets. Laura finds that seduction comes easily but threatens to ruin the relationship between her and her longtime love interest. In this steamy sports romance, Laura will discover the truth behind the known hero philanthropist of the wrestling world and learn what love of humanity and giving truly means.

*From Blood and Ash*

With Audio Recording

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. " – Valerie from Stuck In Books " From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more! " - Tracey, Books & Other Pursuits

The Guardians ' powers are put to the ultimate test in their final battle in this conclusion to the epic chapter book series from William Joyce. When we last saw the Guardians, they were celebrating their victory during Bright Night, the final great Battle of the Moon, where they defeated Pitch once and for all. Or so they thought. Now, many years later, the Guardians have settled into their final selves, embracing their public images and the Earth Holidays. But the world has not been without evil since Pitch ' s imprisonment. First there was the World War, then The Crash which has led to what the humans call a Great Depression. All the Guardians feel the weight of these events, but Jack Frost—now half human, half of his former self Nightlight—feels it the most. Jack ' s transition from Nightlight to Guardian was not an easy one. Always inclined to keep to himself, Jack has become especially isolated from the other Guardians since his transformation. Yet it is Jack who Ombric Shalazar (once a great wizard, now known as Father Time) trusts with a tremendous secret. But for Jack to fully understand this secret, he must revisit his past—and finally tell his story. Jack ' s story, however, isn ' t the only one to be reopened; an old enemy whose chapter we thought closed will reappear and with him bring a darkness and destruction that will test the Guardians like never before. It ' s a battle of superlatives—the worse fighting the greatest, but where, oh where, is Jack?

Where ' s my homework? Who took my other sock? What ' s that in my belly button? The creators of the #1 New York Times bestselling and Academy Award – winning The Fantastic Flying Books of Mr. Morris Lessmore have found the answers to these and other life mysteries...and no, it ' s not your fault! Strange smells. Disappearing remotes. That itch you just can ' t reach. It ' s not your fault! It ' s the Mischievians, an ancient race of global mischief-makers who do all the things that embarrass you. All the things that bug you. All the things that YOU get blamed for! There is no cause for alarm (sorta). Come meet the Homework Eater, the fiend who steals your homework! See the Endroller, the villain who uses up ALL the toilet paper! Discover the Yawn Mower, the creature who makes you yawn at the worst possible time! And many, many more. Read on, and be free.

From the team who brought you The Fantastic Flying Books of Mr. Morris Lessmore comes an alphabet tale extraordinaire! Once upon a time there was no alphabet, only numbers... Life was...fine. Orderly. Dull as gray paint. Very...numberly. But our five jaunty heroes weren ' t willing to accept that this was all there could be. They knew there had to be more. So they broke out hard hats and welders, hammers and glue guns, and they started knocking some numbers together. Removing a piece here. Adding a piece there. At first, it was awful. But the five kept at it, and soon it was...artful! One letter after another emerged, until there were twenty-six. Twenty-six letters—and they were beautiful. All colorful, shiny, and new. Exactly what our heroes didn ' t even know they were missing. And when the letters entered the world, something truly wondrous began to happen...Pizza! Jelly beans! Color! Books! Based on the award-winning app, this is William Joyce and Moonbot ' s Metropolis-inspired homage to everyone who knows there is more to life than shades of black and gray.

Three kids venture to the North Pole to help Santa defeat an army of evil elves in this holiday classic from the brilliant mind that brought you The Fantastic Flying Books of Mr. Morris Lessmore. Art Atchinson Aimesworth—inventor, crime fighters, and all-around whiz kid—journeys north with his sister, Esther, and his pal Spaulding, by special invitation from Santa himself. Why did Santa call them to the North Pole? Art wants to know. But when Esther is taken by the Queen of the Dark Elves, Art must put his questions aside and save his sister. This reissue of William Joyce's epic Christmas adventure now comes complete with lift-the-flap letters from Santa himself!

A group of kids must stop invaders before they take over Titus—and the rest of the universe—in this first book in a brand-new series

from bestselling Pegasus author Kate O'Hearn, who masterfully blends mystery and mythology together. Fifteen years ago, Olympus was destroyed and the Olympians were resettled on Titus. Since then Earth has been declared a quarantined world. Neither Titans nor Olympians are allowed to visit and under no circumstances are humans allowed on Titus. The Titans and Olympians are keeping the peace. But the deep-seated mistrust still lingers, so when a human ends up on Titus, he could be the spark that reignites the war... Astraea is a Titan, granddaughter of Hyperion, and now a reluctant student at the brand-new school, Arcadia. She just knows that it's going to be awful, and that there is no way that Titans and Olympians will ever get along! At least she's got her best friend, a winged-horse named Zephyr, to keep her company. Then the night before the first day of school, Astraea hears her parents discussing something terrifying: a human has been spotted on Titus. But that's not possible. All routes to Earth via the Solar Stream have been closed—no one can travel between the two worlds...or can they? When Astraea and Zephyr get detention on their first day—for fighting with a centaur—they're sent to the orchards to harvest nectar. There they discover a human boy named Jake. How he got to Titus is a mystery even to him. But Astraea and Zephyr know they have to get Jake home before anyone else discovers him. But what the trio uncovers is something much bigger than one misplaced human boy. It's a scheme to take down the rulers of this world, conquer it, and then do the same across the galaxy. Can a group of kids stop the invaders? Or is Titus, like Olympus before it, doomed?

Diary of a Wimpy Kid meets Percy Jackson in *Odd Gods*, the first book in a hilarious illustrated series about the most unlikely, unusual Gods ever to grace the halls of Mount Olympus Middle School. A Summer 2019 Kids' Indie Next Pick! Oddonis may be the son of Zeus, but he's a little bit...odd for a God. He's so odd, in fact, he's not sure if he has any powers at all. And if that isn't enough, his twin brother Adonis is the most popular, most athletic, and most otherworldly handsome God of them all. Oddonis's future at Mount Olympus Middle isn't looking bright, especially when he makes the last-minute decision to run against Adonis to be class president. With the help of his friends Mathena (Goddess of math and poultry), Germes (God of all things sniffing and snotty), Puneous (the smallest God of them all), and Gaseous (enough said?), Oddonis is determined to win the race, prove that his friends are as good as any Greek God, and maybe, just maybe, find out what his true powers really are. Read the hilarious new adventures of Oddonis and his friends from debut children's authors David Slavin and Daniel Weitzman, filled with dozens of black-and-white illustrations by award-winning artist Adam Lane.

For fans of Erin Entrada Kelly and Ali Benjamin comes a poignant yet hopeful novel about a girl navigating grief, trauma, and friendship, from Ashley Herring Blake, the award-winning author of *Ivy Aberdeen's Letter to the World*. Hazel Bly used to live in the perfect house with the perfect family in sunny California. But when a kayaking trip goes horribly wrong, Mum is suddenly gone forever and Hazel is left with crippling anxiety and a jagged scar on her face. After Mum's death, Hazel, her other mother, Mama, and her little sister, Peach, needed a fresh start. So for the last two years, the Bly girls have lived all over the country, never settling anywhere for more than a few months. When the family arrives in Rose Harbor, Maine, there's a wildness to the small town that feels like magic. But when Mama runs into an old childhood friend—Claire—suddenly Hazel's tight-knit world is infiltrated. To make it worse, she has a daughter Hazel's age, Lemon, who can't stop rambling on and on about the Rose Maid, a local 150-year-old mermaid myth. Soon, Hazel finds herself just as obsessed with the Rose Maid as Lemon is—because what if magic were real? What if grief really could change you so much, you weren't even yourself anymore? And what if instead you emerged from the darkness stronger than before?

With a bounty on their heads, Elle Darrow and Jack Frost are on the run. Sensing weakness in Winter's kingdom, too many immortals are hungry for power. Although frozen in time, Jack Frost brings warmth to children everywhere.

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sler. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

It's 1969 and the country is gearing up for men walking on the moon. Ten-year-old Mamie's class is given an assignment to write letters to the astronauts, and she is the only one who writes to Michael Collins, the astronaut who doesn't get to walk on the moon because he has to stay with the ship. After school ends for the year, Mamie keeps writing to Michael Collins, taking comfort in telling someone about what's going on with her family. One by one, they each leave her thinking that someone else is taking care of her--until she is all alone except for her best friend, Buster, who lives next door. As the launch nears, everyone in the country is on the edge of their seats: Will the mission be successful? For Mamie, there's even greater

turmoil, and she can't help but wonder: Does no one stay with the ship anymore?

The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “ A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire. ” —Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

Elle grew up thinking myths and magic belonged in the land of make-believe. Little did she know, she belonged there as well. On the night of her twenty first birthday Elle's life changes when she learns of an ancient prophecy dictating a fate that binds her to every fairy tale ever told. Marry Jack Frost. Elle is catapulted into a world where immortal gods and monsters thrive, and she has no choice but to trust the one man she's desperate to stay away from. She has no intention of marrying Jack, and he's not exactly thrilled about it either. But as deadly plots and secrets come to the surface Jack and Elle are forced to stand together, and it's only a matter of time before they realize there's no fighting fate. With Jack by her side, will Elle be brave enough to face a destiny that only leads to one place? Death.

Reminiscent of the happy cartoon shorts of the 1930s, the whole mechanical Rolie Polie family Ping-Pongs around their smiley teapot house, playing and having fun from morning to noon to night. In Rolie Polie Olie land, it ' s one for all and all for one, little sister Zowie worships her big brother, and ever-loyal Spot is a pal to the end of time. And when things go wrong and all seems lost, a rumba dance can make everything okey dokey once again.

Provides the background, history, and life of Sanderson Mansnoozie, better known as the Sandman, who helps the Man in the Moon keep children safe at night by bringing them sweet dreams.
