Jacobsen Snow Blower Parts at Jack's

I have an older Jacobsen Snowblitz 20 snow blower. Worked OK last year and I ran all the gas out at the end of the year. Filled it up and went to start it today and it started and died and now will not come back... I cleaned the spark plug a bit, since I didn't have a new one and that didn't seem to help. I have no manual and there is a male plug on it, what does this do?
