John Coltrane His Life And

John Coltrane: His Life and Music - All About Jazz

Liver cancer ended his life prematurely: he died at the age of 40 in 1967, just ten years after his first LP as a leader -- but Coltrane's legacy was so varied and rich, he remained the touchstone for creativity in jazz for decades after his passing. Coltrane was the son of John R. Coltrane, a tailor and amateur

musician, and Alice (Blair) Coltrane. Two months after his birth, his maternal grandfather, the Reverend William Blair, was promoted to presiding elder in the A.M.E. Zion Church and ...

Thirty-one years after John Coltrane died, just short of forty-one years old, he remains an enigma, not to only to me but to

Page 5/33

the various persons who have attempted to capture his character in books. There are, with the publication of Lewis Porter's *John Coltrane: His Life and Music* , eight books in English about the man.

John Coltrane: His Life and Music - All About Jazz

"John Coltrane: His Life and Music is the most compelling and meticulously documented history of John Coltrane yet written. Mr. Porter finally gives us a perspective solely based on research unlike many authors who have treated John Coltrane's life with conjecture and speculation. This is a beautiful book."

John Coltrane - University of Michigan Press

John William Coltrane was an American jazz saxophonist and composer. Working in the bebop and hard bop idioms early in his career, Coltrane helped pioneer the use of modes and was at the forefront of free jazz. He led at least fifty recording sessions and appeared on many albums by other musicians, including trumpeter Miles Davis and pianist Thelonious Monk. Over the course of his career, Coltrane's music took on an increasingly spiritual dimension. He remains one of the most influential saxopho
