A full-color guide to fortune-telling with the Lenormand oracle • Explores the meanings of the 36 Lenormand cards and their playing card insets to help build a resourceful, interpretative vocabulary

- Provides instructions for many spreads, starting with 3 or 5 cards and building to the Grand Tableau spread, which uses all 36 cards
- 416 pages and full-color throughout
- Reveals the origins of the Lenormand oracle from both coffee-ground symbols and playing card cartomancy

More than 200 years old, the 36 Lenormand cards are an oracle combining standard playing cards with images from the everyday world, such as key, book, animals, and flowers. Their simple, predictive, and non-

esoteric nature opens the realm of fortune-telling to all, offering a traditional cartomantic divination where card combinations fuse together to give clear answers. In this complete guide to Lenormand card reading, Caitlín Matthews explains the multiple meanings for each card, providing keywords so the reader can quickly build an interpretive vocabulary for Lenormand fortune-telling. She details how to lay spreads, starting with 3 or 5 cards and building to the Grand Tableau spread, which uses all 36 cards. She explores the significance of the playing card pips and suits on each card and how cards combine to create a variety of meanings. Matthews enables readers to learn the Lenormand card keywords so they can both read for themselves and express their

interpretations to clients. Providing real case histories for readers to interpret, she also includes self-tests and practice exercises with answers to check at the end of the book. In addition to her comprehensive practical introduction to the Lenormand oracle, Matthews delves deeply into the history of cartomancy to reveal the mythic blueprint that underlies this simple deck, the key to which lies not in their imagery but in their connection to playing cards.

This 45-card deck, with colorful artwork by Will Worthington, provides additional tree, animal and people cards for nuanced readings. Three different bird cards represent the triple goddess. In-depth descriptions for each card include keywords, divinatory meanings, suggestions for spell use, timing, spiritual

messages, dark and light aspects, and affirmations. The illustrated guidebook also presents interpretations based on the phases of the moon and the Wheel of the Year. It includes card spreads and instructions for several different methods of reading with the Celtic Lenormand deck.

award-winning author of *The Memory Painter* comes a sweeping and suspenseful tale of romance, fate, and fortune. Semele Cavanaugh appraises antiquities for an exclusive Manhattan auction house, deciphering ancient texts—and when she discovers a manuscript written in the time of Cleopatra, she knows it will be the find of her career. Its author tells the story of a priceless tarot deck, now lost to history, but as Semele delves further, she realizes the manuscript is more than it seems. Both a memoir and a prophecy, it appears to be the work of a powerful seer, describing devastating wars and natural disasters in detail thousands of years before they occurred. The more she reads, the more the manuscript begins to affect Semele's life. But what happened to the tarot deck? As the mystery of her connection to its story deepens, Semele can't shake the feeling that she's being followed. Only one person

can help her make sense of it all: her client, Theo Bossard. Yet Theo is arrogant and elusive, concealing secrets of his own, and there ' s more to Semele ' s desire to speak with him than she would like to admit. Can Semele even trust him? The auction date is swiftly approaching, and someone wants to interfere—someone who knows the cards exist, and that the Bossard manuscript is tied to her. Semele realizes it ' s up to her to stop them: the manuscript holds the key to a two-thousand-year-old secret, a secret someone will do anything to possess.
