The Strategic Individualized Remediation Treatment (STIRT) program is a continuum of care that includes short-term residential treatment and outpatient treatment for both men and women, 18 years of age or older, involved in the criminal justice system and at risk of returning to jail or prison due to technical violations of probation, parole, or other conditions of release.

**Strategic Individualized Remediation Treatment (STIRT ...**

Typical field experiences include a tour an overview of the oganization and time with key leaders in the organization. Often, the experiences align with a monthly leadership theme. Scholars have ample time for question and answer with the leaders and reflect on the experience through online discussions. Service Learning:
