A New York Times Bestseller From #1 New York Times bestselling author Julia Quinn comes the story of Colin Bridgerton and Penelope Featherington, in the fourth of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix. COLIN AND PENELOPE'S STORY Penelope Featherington has secretly adored her best friend's

brother for . . . well, it feels like forever. After half a lifetime of watching Colin Bridgerton from afar, she thinks she knows everything about him, until she stumbles across his deepest secret . . . and fears she doesn't know him at all. Colin Bridgerton is tired of being thought of as nothing but an empty-headed charmer, tired of the notorious gossip columnist Lady Whistledown, who can't seem to publish an edition without mentioning him. But when Colin returns to London from a trip abroad, he discovers nothing in his life is quite the same—especially Penelope Featherington! The girl who was always simply there

Page 2/78

is suddenly the girl haunting his dreams. When he discovers that Penelope has secrets of her own, this elusive bachelor must decide . . . is she his biggest threat— or his promise of a happy ending?

When she finds a way to break the spell that prevents her from finding true love, Justine Hoffman falls for the mysterious Jason Black, unleashing a dangerous passion that could destroy everything.

Bestselling author Jude Deveraux spins a rollicking story of a mismatched couple who unearth a sparkling, irresistible passion across the rugged West! Captain Ring Montgomery was handsome, a

Page 3/78

skilled rider, a crack shot, popular with the men and their ladies. That was reason enough for a jealous, surly colonel to saddle Montgomery with a most peculiar assignment: to escort an opera singer into the Colorado gold fields. Ring's plan was to scare the little lady enough so that she'd hightail it for home. After all, a Civil War was brewing! But LaReina, The Singing Duchess—as Maddie was called—didn't scare easily. And she didn't intend to explain her reasons for coming West to any high and mighty soldier. Captain Montgomery might be smart enough to figure out that she was no European

duchess, and gentleman enough not to take advantage of her. But he'd have to go on thinking she had some insane desire to sing opera to a bunch of ragtag miners—for she didn't dare trust him with the truth...

Raised by the assassin hired to kill her in infancy, Princess Alana of Lubinia unsuccessfully contacts her father the king and is imprisoned as a pretender by the handsome captain of the palace guards, to whom she is betrothed when her claims are proven. Captain Christopher Phelan is a handsome, daring soldier who plans to marry Beatrix's friend, the vivacious flirt Prudence Mercer, when he returns from fighting abroad. But, as he explains in his letters to Pru, life on the battlefield has darkened his soul—and it's becoming clear that Christopher won't come back as the same man. When Beatrix learns of Pru's disappointment, she decides to help by concocting Pru's letters to Christopher for her. Soon the correspondence between Beatrix and Christopher develops into something fulfilling and deep...and when Christopher comes home, he's determined to

It was to be a grand adventure for Melissa MacGregor -- an escape from the wilds of her Scottish home into the whirl of the London social season, and far from the stifling protectiveness of her mother's sixteen strapping, somewhat bumbling brothers, six of whom are named Ian. There the bewitching lass is sure to find a suitable husband who will not be intimidated by her suspicious uncles and who is more appealing than the many local suitors

whom her uncles have already deemed unworthy. But before she begins her pursuit of a new life, Melissa is distracted by an intriguing gentleman stranger she encounters on her grandfather's lands. Lincoln Ross Burnett is no stranger to Scotland, however. The seventeenth Viscount Cambury, Lincoln once called this fair land home -- until as a boy of twelve he was sent away to live with relatives in London after his father's death. To

stay would surely have meant his own demise, for a bitter feud was raging around him, marking young Lincoln as a target of a brutal gang of "savages" who went by the name MacFearsons. Now as he restlessly roams the countryside he so loved as a child, Lincoln can feel the anger and bitterness returning -- only to be dispelled by the beauty of the lady who stands before him. Though they part after but a few spoken words, the damage has been done:

Lincoln's heart has been claimed forever, and he will never be complete again until Melissa MacGregor is his bride. Though destiny is carrying them along separate paths, Lincoln knows he will pursue Melissa to London ... and to the ends of the earth, if necessary. But ties of blood and duty have made his heart's obsession with the enchanting beauty not only desperate but quite dangerous. For the woman Lincoln must have is the niece of those

who, even now, are sworn to his destruction, and who are willing to dog his every step, even following two yearning souls fated to be lovers into the glittering world of the London ton. The longtime feud is raging hotter than ever before -- and even the irresistible shared passion of Lincoln and Melissa may not be powerful enough to withstand its devastating fire.

The first book-length study of romance novels to focus on issues of sexuality rather than gender, *Historical Romance Fiction* moves the ongoing debate about the value and appeal of heterosexual romance onto new ground, testing the claims of cutting-edge critical theorists on everything from popular classics by Georgette Heyer, to recent 'bodice rippers,' to historical fiction by John Fowles and A.S. Byatt. Beginning with her nomination of 'I love you' as the romance novel's defining speech act, Lisa Fletcher engages closely with speech-act theory and recent studies of performativity. The range of texts serves to

illustrate Fletcher's definition of historical romance as a fictional mode dependent on the force and familiarity of the speech act, 'I love you', and permits Fletcher to provide a detailed account of the genre's history and development in both its popular and 'literary' manifestations. Written from a feminist and anti-homophobic perspective, Fletcher's subtle arguments about the romantic speech act serve to demonstrate the genre's dependence on repetition ('Romance can only quote') and the shaky ground on which the romance's heterosexual premise rests. Her exploration

of the subgenre of cross-dressing novels is especially revealing in this regard. With its deft mix of theoretical arguments and suggestive close readings, Fletcher's book will appeal to specialists in genre, speech act and performativity theory, and gender studies.

Then Lucas Cochran came back to Colorado. In

the drought-cursed high country, he needed Angel Creek and its cool water to turn his Double C ranch into the cattle dynasty he craved. His ruthless ambition guaranteed he would fight to take it away from the black-haired, green-eyed spitfire who claimed it. But the passion that blazed when Dee Swann and Lucas Cochran met shocked them both. Unbidden, unexpected, their kisses swept them toward a dangerous destiny where dreams might be scattered...men could be killed...or love would be born as wild and unfettered as this glorious frontier.

this magnificently sensual and romantic tale filled with passion, humor, and suspense. It is the unforgettable story of two indomitable characters whose love affair is the stuff of which legends are made. . . . Gwendolyn Wilder did not believe in dragons. But the superstitious villagers of Ballybliss did, and so Gwendolyn found herself bound to a post as a sacrificial offering to the Dragon who haunted the ruins of Castle Weyrcraig. Fifteen years earlier, someone had betrayed the Laird of Weyrcraig and his handsome young heir to the English for a thousand pounds in gold. Now the Dragon was demanding that very

amount. The frightened Highlanders hoped that instead of gold, the fair virgin would satisfy the beast's insatiable appetite. As for Gwendolyn, she never doubted that the so-called Dragon was a fraud. She knew there was a perfectly good explanation for the mysterious lights seen flickering in the crumbling castle and the unsettling sound of bagpipes drifting through the glens. But as she waited for whoever—or whatever—to claim his prize, she could not help trembling as a furious storm lashed about her . . . and she saw what appeared to be dark wings and a stream of silver smoke emerge from the

shadows. Rumor had it that the Dragon could take the form of a man, and so he did with Gwendolyn—a man who would not show her his face. He carried her into his lair and made her his prisoner, his pampered pet. And while she didn't expect to be eaten by the fire-breathing Dragon of Weyrcraig, neither did she expect to be warmed by his sensuous caresses or devoured by his passionate kisses. The Dragon had demanded gold and the fools had given him this golden-haired maiden. She was the very last thing he expected—and now there was no way he could let her go. She could never know that he was

no monster but a flesh-and-blood man who had just laid eyes on the one woman who could slay him. Still, this supremely handsome man of devastating virility was more dangerous than any dragon. He would take it upon himself to enchant the practical Gwendolyn as she had enchanted him. He would weave a spell of sensuous magic around her that would defy all her commonsense notions and tempt her to believe in something even more unlikely than dragons and more powerful than the past that threatened them both—true love.

'A great read' Brendan O'Connor, RTÉ In nearly three decades as a performer, Tommy Tiernan has never wanted to play it safe. So, when it came to doing a

chat show, he threw out the rule book: going in blind, not knowing who would turn up. It could be a global star, like Adam Clayton, or a statesman like Michael D Higgins, or someone unknown to Tommy (and most of his audience), like autism awareness activist, Ciara-Beth Ni Ghriofa or geneticist Aoife McLysaght. It's high-wire stuff and makes for electrifying viewing. Winging It brings together twenty-one extraordinary interviews from The Tommy

Tiernan Show on RTÉ One - a mix of the profound, the profane, the funny and the moving. Tommy's belief in honest conversation is at the heart of Winging It. Whether getting to grips with the finer points of boxing with World Champion Kellie Harrington or preserving history with archivist Catriona Crowe. Or talking God with old friend Michael Harding or mental health with Blindboy Boatclub. Or sitting with moments of pain in conversations about

grief (Bob Geldof), FGM (Ifrah Ahmed) or drinking (Paul McGrath). It's all about curiosity, bravery and a willingness to listen. Winging It includes material that did not make the TV screen and the interviews are as gripping to read as they were to watch. 'Tiernan is superb at forming a rapport ... Seeing his words written down, reveals a natural instinct for drawing people out' Business Post
