This comprehensive, accessible home reference guide addresses a wide range of health concerns-as only a nurse who knows the inside story on healthcare can. From headaches to ankle sprains, asthma to zinc remedies, this authoritative resource reveals what everyone needs to know in order to get healthy-and stay that way. The book features hundreds of tips on easing symptoms, promoting healing, following a treatment plan, and solving both the big and small problems that arise when someone is sick, hurt, or in pain. Readers will discover how to: € Treat everyday health complaints and minor injuries € Heal faster after an injury € Get the best results from medicines while reducing side effects € Recover more comfortably at home after outpatient surgery

A blistering follow-up to Turf War opens with the release of criminal kingpin Big Ed Tatum from jail after the only witness to his crime is murdered, but complications arise when Peanut's adored little sister Crystal falls in love with Big Ed. Original.

Before Epstein was the Franklin Cover-Up, before that the Finders and long before that the Cleveland Street Scandal. Pedogate Primer is a concise intro and overview of a growing child abuse epidemic worldwide. It features shocking instances of institutional and organizational pedophilia throughout history. Churches, cults, the world of arts and entertainment, the government, NGOs, charities and major corporations are complicit or culprit in many instances. Pedogate Primer delves into material that for many may seem like the stuff of conspiracy theory. For this reason the book draws on academic sources, declassified documents and other reliable sources and steers clear of conjecture. Such shocking, true stories need no embellishment. Philip Fairbanks is a writer with 20 years publishing experience covering entertainment media, news reporting. His work has appeared in the peer-reviewed journal of art Afterimage, CUNY's graduate newspaper The Advocate, UK's Morning Star newspaper, Australia's New Dawn magazine, GhettoBlaster magazine, New Noise magazine, Paranoia magazine, The Goldwater and several other print and online publications. He has spent years researching and covering online child grooming, the Jeffrey Epstein case, MK-Ultra, the Finders cult and several other topics that are discussed in the Pedogate Primer.

This book reports on research on and experience with needle exchange and bleach distribution programs and their effects on rates of drug use, the behavior of injection drug users, and the spread of HIV and other infectious diseases among injection drug users. It discusses U.S. needle exchange data, international evaluations of needle exchange programs, legal issues and drug paraphernalia laws, evaluation methods, and bleach distribution programs.

Think you know about the Pittsburgh Steelers? Put your knowledge to the test with this selection of quizzes on all things black and yellow This trivia book is packed with interesting facts about the Steelers from cover to cover, taking you from the tough football in western Pennsylvania to the hallowed halls of the Pro Football Hall of Fame in Canton, Ohio. When Biometrics Fail

The Proceedings

Can you solve the mystery? You're an orphan (well, maybe not in real life, but in these books you are) and you've gone to live with your Aunt Vivian and cousin Pippa out in the country. Their house is in a small village surrounded by lush forest and the two of them welcome you with open arms. But you have a secret that you've never told anyone. There's something about Pippa, though. She seems to know your secret already. When someone ruins the main corridor of your new school, tearing down paintings and spilling paint everywhere, Pippa is determined to learn that secret, too. She sneaks into your room at night and asks you to go to the school with her to crack the case.

To solve it, you must collect four clues, and Pippa will follow YOUR lead. You decide where to explore in the darkened school; you decide which order to uncover the clues. Do you think you can solve the mystery before Pippa does?

This is probably one of the most important book on domestic violence to be published in Britain in the last several years. What Works in Reducing Domestic Violence? presents a wealth of information on domestic violence and the strategies which have proved effective for dealing with it. The book is outstanding for in the quality and number of its contributors, all of whom are well-known and respected in the field. The book is written to be accessible to practitioners, academics and any one engaged in multi-agency work in this area.Focusing on how to improve agency responses to women's needs, the chapters draw on a wide range of evaluations carried out internationally and on feedback from women themselves. Subjects covered include: ? housing needs; ?health services; the criminal justice response; ?children's needs; multi-agency working; perpetrators;? civil remedies; ?outreach and advocacy. The book also examines what is known about the risks of domestic violence and its costs, and makes the case for targeted interventions which will ultimately save both lives and money. The bibliography offers a most helpful listing of recent work in this field. This book has its origins in work commissioned in 1999 by the Home Office of England and Wales under its Crime Reduction Programme Violence against Women Initiative. Summaries of the work in each area were published as a Crime Reduction Programme Briefing Note which proved to be one of the most popular collections that the Home Office ever issued. The reports, now available in this book, represent the views of the authors, and should not be taken to be Home Office or Government policy. However, they amount to a comprehensive guide- which any professional in this field will want to have always to hand. Contents Women survivors? views on domestic violence services Audrey Mullender and Gill Hague Meeting the needs of children who live with domestic violence Audrey Mullender and Sheila Burton What role can the Health services play? Leslie L Davidson, Valerie King, Jo Garcia, Sally Marchant Effective policing of domestic violence Jaina Hanmer and Sue Griffiths Accommodation provision for households experiencing domestic violence Debra Levison & Nicola HarwinDomestic violence and harassment: An assessment of the civil remedies Susan Edwards New directions in prosecuting domestic violence Susan Edwards Supporting women and children in their communities: Outreach and advocacy approaches to domestic violence Liz Kelly and Cathy Humphreys Multi-agency initiatives as a response to domestic violence Gill Hague Assessing and managing the risk of domestic violence Sylvia Walby and Andrew Myhill Monitoring costs and evaluating needs Debbie Crisp and Betsy Stanko Julie Taylor-Browne was a Principal Research Officer the Home Office, responsible for the Crime Reduction Programme's Violence against Women Initiative.

HOW TO PLAY PINOCHLE LIKE A PRO WITH EASEPinochle is a classic two-player game developed in the United States, and it is still one of the country's most popular games.Pinochle is a more advanced card game with points being scored from a melding phase and a trick-taking playing phase. It consists of discarding the cards held by placing them face up on the table to meld combinations of at least three cards and reach the minimum 1,500 points required to win the game before your opponents during several partial games.It can be played by two or more players, individually or in pairs, although the latter is more interesting and varied because players can share the cards they have in common and score for both players in one single hand. In this guide you will learn the rules and strategies of several different varieties of Pinochle -- including Partnership Pinochle, Two-Handed Pinochle, and Cut-Throat Pinochle and also how to play them with ease.GET YOURS NOW ! This volume provides a comprehensive, state-of-the-art review of this topic. It reviews natural history, etiology, management, and prevention of urinary dysfunction. The text covers the multiple new treatments for prostate cancer that have been introduced as well as reviewing the etiology, risk factors, and possible prevention of urinary dysfunction in men with prostate cancer. This textbook provides a concise yet comprehensive summary of the current status of the field that will help guide patient management and stimulate investigative efforts. All chapters are written by experts in their fields and include the most up-to-date clinical information Urinary Dysfunction in Prostate Cancer – A Management Guide will serve as a valuable resouce for clinicians, surgeons and researchers with an interest in urinary dysfunction caused by prostate cancer or its treatments.?

In the far future, Earth is about to be swallowed by a black hole in this sweeping SF epic from one of the masters of the genre. In a time so far from our own that we cannot comprehend it, humanity has spread amongst the stars and changed in more ways than we can count. But they have never forgotten their birthplace - Earth. But now Earth stands on the brink of catastrophe, at risk of being swallowed by a black hole. One man, Hanosz Prime, ruler of his world, is determined to visit Earth before it is destroyed. His abdication from his throne and his wanderlust are to prove the beginning of a much longer journey - one that will see him fall in love, meet the Oracles of Earth and perhaps, if he is very lucky, provide a means to save the cradle of humanity. Originally started by Robert Silverberg more than 20 years ago but never completed, Hanosz's story is taken up by Alvaro Zinos-Amaro. Silverberg hand-picked Zinos-Amaro to complete the book, and provided notes and guidance. The result is a remarkable collaboration between one of the masters of SF and one of the most exciting new voices in the genre.

With words and photographs, Rain in Our Hearts takes readers into Alpha Company, 4th Battalion, 31st Infantry, 196th LIB, Americal Division in 1969?1970. Jim Logue, a professional photographer, was drafted and served as an infantryman; he also carried a camera. ?In order to take my mind off the war,? he would say, ?I took pictures. ? Logue?s photos showcase the daily lives of infantrymen: setting up a night laager, chatting with local children, making supply drops, and ?humping? rucksacks miles each day in search of the enemy. His camera records the individual experiences and daily lives of the men who fought the war. Accompanying Logue?s over 100 photographs is the narrative written by Gary D. Ford. Wanting to reconstruct the story of Alpha Company during the time in which Logue served, Ford and Logue trekked across America to meet with and interview every surviving member whom they could locate and contact. Each chapter of Rain in Our Hearts focuses on the viewpoint and life of one member of Alpha Company, including aspects of life before and after Vietnam. The story of the Company?s movements and missions over the year unfold as readers are introduced to one soldier at a time. Taken together, Rain in Our Hearts offers readers a window into the words and sights of Alpha Company?s Vietnam War.

What exactly is virtualization? As this concise book explains, virtualization is a smorgasbord of technologies that offer organizations many advantages, whether you're managing extremely large stores of rapidly changing data, scaling out an application, or harnessing huge amounts of computational power.

With this guide, you get an overview of the five main types of virtualization technology, along with information on security, management, and modern use cases. Topics include: Access virtualization—Allows access to any application from any device Application virtualization—Enables applications to run on many different operating systems and hardware platforms Processing virtualization—Makes one system seem like many, or many seem like one Network virtualization—Presents an artificial view of the network that differs from the physical reality Storage virtualization—Allows many systems to share the same storage devices, enables concealing the location of storage systems, and more

This book examines the proliferation of surveillance technologies&—such as facial recognition software and digital fingerprinting&—that have come to pervade our everyday lives. Often developed as methods to ensure "national security," these technologies are also routinely employed to regulate our personal information, our work lives, what we buy, and how we live.

This Activity Book Will Be ... Preschoolers, Kids 3-8, 6-8, 8-12 Ages.

Explains how to get accustomed to the new operating system and master its features, covering topics such as using menus and control panels, networking multiple PCs, and finding lost files.

Koine Greek Grammar and its accompanying Workbook and Answer Key & Guide have been in the making for decades. It was first a small manual Kairos Greek Grammar; then it grew into a fully integrated and hyperlinked CD that has been published by Logos Bible Software (2005). Now, this current handbook--KOINE GREEK GRAMMAR: A BEGINNING-INTERMEDIATE EXEGETICAL AND PRAGMATIC HANDBOOK--has been thoroughly expanded to include my more explicit description of marked, emphatic, prominent, and pragmatic features of Greek, ideas that were nascent in KAIROS, but now grounded in a communication theory informed by Relevance Theory (Dan Sperber and Deirdre Wilson), Prominence Theory with reference to translation (Kathleen Callow), and Discourse Grammar and Pragmatics (Stephen Levinsohn, Stanley Porter, and Steven Runge). Exegetically significant aspects of Greek syntax and the use of the Greek language (i.e., pragmatics) occur strategically throughout KOINE GREEK GRAMMAR and include the following: - conjunctions and their constraints- point/counterpoint sets- polysyndeton, asyndeton, correlative emphasis, and lists- fronted modifiers for emphasis (genitive, demonstrative, quantitative)- vocatives as thematic address- appositional statements- the historic present and the verb tense options in narrative- metacomments as orienting statements- interjections as attention getting devices- quantitative, qualitative, interrogative, negative, and comparative types of emphasis- special uses of the noun cases- participle uses, including periphrastic and genitive absolutes- special uses of the Moods- left-(dis)locations- discourse pragmatic uses of the article- conditional and exception clauses.Some of these discussions will have extended Intermediate-level treatments that are placed within greyed boxes. Other significant enhancements are the inclusion of CHECK POINTS that give students a chance to practice what is being learned in each chapter along with (SUGGESTED) ANSWERS that immediately follow. Scattered throughout KOINE GREEK GRAMMAR are images of ancient realia, i.e., remnants of Mediterranean material culture including biblical and non-biblical papyri fragments, vase paintings, coins, bas-reliefs, imperial artifacts, inscriptions, funerary stele, statues, gems, temples, maps, and reconstructed scenes of life in the polis. The language and syntax of the Greek NT is contextually located in these worlds. Still present (but improved) are the CASE IN POINTS at the end of each chapter that briefly describe how particular points of Greek grammar just presented helps us when interpreting the Greek NT. In other words, the CASE IN POINT illustrates how Greek grammar is valuable as a tool for the study of the NT. In addition to having a full APPENDIX, VOCABULARY OF WORDS OCCURRING 20 TIMES OR MORE, and INDICES, KOINE GREEK GRAMMAR has a separate extensive WORKBOOK AND ANSWER KEY & GUIDE. that has been carefully crafted with many exercises drawn directly from biblical expressions and actual verses.

Pocket Word Search Books For AdultsPacked with 99 individual large print pocket word search puzzles spread out over 99 pages, this easy-to-read yet small 5 x 8" pocket word search features a pretty gold pattern cover and provides hours of entertainment. 99 INDIVIDUAL WORD SEARCHES: Hours of fun and entertainment to enjoy! And don't forget to visit our Author Page for even more of our pocket word search books, travel size word search books and puzzles for adults.

Fueled by media reports of gender bias in the schools, the debate over single sex education has been recently renewed. "Voices of Hope" asks for a reconsideration of the framing of that debate. For whom is single sex education better? For the attainment of which goals? What do girls gain by being schooled with male peers? What is lost? In this longitudinal study of more than fifty high school girls at four New England independent schools, Carole B. Shmurak follows their development from ninth grade through the first year of college. Case studies capture the girls' own voices as they describe their hopes for their futures and the events that subsequently affect those futures.

This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, Urban School Leadership includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. Urban School Leadership is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—Jon Schnur, co-founder and CEO, New Leaders for New Schools "Tom Payzant is one of the finest urban educators of our generation. Urban School Leadership is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools

Writers who want the marketing savvy and career counseling an agent can provide can truly benefit from this listing of more than 500 literary and script agents in the United States and Canada.
