What happens when a half-blind weremole girl falls for a scarred werebear guy? A match made in furry, dirt-caked heaven. Mostly. Weremole Kira Kolanowski has spent twenty-nine-ish years of her life half-blind and occasionally half-dead. (Her family isn't exactly loving.) In an effort to remain fully alive, she moves to Grayslake, Georgia, with her poor excuse for a guide dog—a guide dog who decides to lift his leg and relieve himself on sexy-smelling werebear Isaac Abrams' belongings. And when he roars...well, it makes her heart go pitter-patter and other parts go "ooh baby, ooh baby." Just when she thinks she might have found happiness, a raving she-bitch werebear chick tries to kill her with the same poison that scarred Isaac to hell and back. The poison that Kira's family happens to manufacture... Isaac Abrams is leaving Grayslake. He's tried, lord how he's tried, to settle into life in Grayslake after the birth of his niece, but it's not happening. He's been home for a year, and it's been 365 plus days of women looking past him and flat-out pretending he doesn't exist. The battle with the hyenas didn't just ruin his face, it ruined his chances at finding a mate in his hometown. So, he's leaving. Or he was leaving until one day a lush, curvaceous weremole wanders into his half-packed house with that damned peeing dog of hers...it's a good thing she's so gorgeous. Maybe he will stay—stay and keep Kira Kolanowski all to himself. Well, once he kills everyone who's trying to kill her.

Zoe Stewart didn't plan to end up in the woods after she emptied her corrupt boss's bank accounts, but the small town of Bear Creek is the only safe place for her to hide from his minions. Except Bear Creek isn't connected to anything and she might die without fast wifi, even with the handsome brooding lumberjack to look after her. After a walk in the woods goes badly wrong, Zoe discovers her protector is more than he seems. Simon Crawford just wants to run tourists into the backwoods of the Cascades on boutique hunting and fishing trips. When his old battle buddy asks him to look after Zoe for a short time, Simon reluctantly agrees -- and discovers his bear wants her as much as Zoe wants to leave. When a car accident leaves Zoe on the verge of death, Simon saves her the only way he knows: gives her his blood and changes her into a bear. Just as her bear recognizes his and their happily ever after seems just around the corner, Zoe's corrupt boss hunts them both down and threatens to destroy everything Simon has built in Bear Creek. Will Simon's bear hands be enough to save them both, or will their happily ever after end before it even begins?

Mouse shifter and cheesecake addict Tara Evans is having a tough time of it. Her abusive ex has just arrived in town. Her sister has arrived for a visit and is clearly hiding something. She's in town and determined that it's time he was mated. Alex would never admit it to her but he agrees. The problem is that he will never settle for anyone other than his true mate and he hasn't met her yet. Can Tara and Alex manage to get their act together while fending off an enthusiastic mama bear and an unscrupulous ex? This book contains explicit sex scenes.

Every Shifter has a mate. She's his. Now all he has to do is convince her that what they have between them is more than lust—much more. When Harper's life begins a death spiral, she does what any self respecting woman would do—she heads for the mountains. More specifically, Grizzly Ridge. A brand new—and very remote—lodge in the wilds of Montana where the last thing she expects to find is a very alpha, very sexy mountain man who's more than a little wild himself and doesn't waste any time reigniting feelings in her she'd long since buried. From the moment he lays eyes on her, Axel knows the curvy brunette is more than just a guest at his lodge. Much more. Every bear shifter has a mate.

She's his. And whether his brothers believe in fated mates or not, nothing will keep Axel from what's his. But first he'll need to convince Harper that what she's feeling is more than lust. It's fate. Reader note: His to Protect is a full length stand alone bear shifter novel with no Cliffhangers! I trusted a shifter with my virginity. Until he got me pregnant. Then he rejected me as his mate. I was young and naive when I fell hard for bad boy Grizz, a shifter who was hot enough to melt my good girl heart. Big mistake. Because when good girls are naughty, they end up pregnant. Now I'm back in Forest Heights to care for my aunt with my son Rainer-the son I've been raising on my own for nine years because gruff, tough Grizz didn't believe our baby was possible. But Rainer is living proof that shifters and humans can have babies, and now he's showing signs of growing up to be just like his daddy. When Grizz realizes Rainer is his, he says he wants to get to know him. And the problem is, I'll do anything for my son. Except open my heart to Grizz again. I won't be rejected twice. And it's far too dangerous, especially when a rival biker gang has their sights set on his patch of turf...

Sarah Jane ran off with her baby and her ex-boyfriend's car the moment she discovered the jerk got involved in drugs. The only sanctuary she knows is with her godmother, Rosie, in a little town called Bear Creek. SJ is ready for a fresh start and no drama, which seems perfectly possible until gorgeous Tate Stewart blows through the door of Rosie's bar. Tate and his mountain lion yearn for sunshine and to forget the last woman who broke his heart. He's surviving well enough until a girl shows up with a car stuffed with drugs and cash in hidden compartments, threatening to drag Tate once more into his shady past. And if that's not bad enough, the mountain lion shifter is convinced that Sarah Jane is his mate. He might even love her -- if he can ever trust her. When SJ's ex and his drug dealing pals burst into town to get their haul back, they almost kill Rosie and kidnap SJ's daughter to trade for the illicit goods. As SJ discovers her own strength and the will to rescue her daughter, Tate struggles to trust her with his heart. When the deal goes sideways, will SJ run for the hills like she always has, or can Tate convince her (and himself) that happiness awaits them both in Bear Creek?
