Synopsis. Bateman and Snell's
"Management: Leading &
Collaborating in a Competitive
World" is a text with a fully
modernized functional approach.

Page 18/52

management-3edition-bateman-snell

This text is maintaining the four traditional functions of planning, organizing, leading, and controlling, while modernizing and re-visioning the concepts as delivering strategic value, building a dynamic organization, mobilizing people, and learning and changing.

~~Management: Leading & Collaborating in the Competitive~~

...

The mission of Management: Leading & Collaborating in a Competitive World, 13th edition, (PDF) by Bateman, Snell and Konopaske is to inform, inspire and instruct college students to

learn about management so they become thinkers and doers who succeed in today's workforce and in life. It emphasizes six essential performance dimensions: cost quality speed innovation service and sustainability.
