

Manat Book By Achyut Godbole

Features twenty-one methods managers can use to increase the effectiveness of their employees.

Provides an overview of the great thinkers and philosophical leaders from across Asia who helped change and shape the modern continent, including Tagore and Gandhi in India, Liang Qichao in China and Abdurreshi al Ibrahim in the Ottoman Empire. 15,000 first printing.

The story of Yayati is perhaps one of the most intriguing and fascinating episodes of Mahabharata. Yayati was a great scholar and one of the noblest rulers of olden times. He followed the shastras and was devoted to the welfare of his subjects. Even the King of Gods , Indra, held him in high esteem. Married to seductively beautiful Devayani, in love with her maid Sharmishtha, and father of five sons from two women, yet Yayati unabashedly declares, 'My lust for pleasure is unsatisfied...' His quest for the carnal continued, sparing not even his youngest son, and exchanging his old age for his son's youth... Winner of the Jnanpith and Sahitya Akademi Awards.

Lust is a dangerous thing. It brings with it great joy, and opens you up to pain. But does one really have the courage to say no and look the other way?Laila is yet to recover from her painful past. Hurt, and untrusting of love, she is fully immersed in work, her only source of cheer. Her bakery franchise is very popular and she just might be able to go national, if she can pull off that big deal.Just when things are looking up, along comes JD, an impetuous, free-spirited creature to stir up the calm. He's her exact opposite. Laila's self-destructive, he's life-affirming. She's cautious, he's buoyant. But here's the thing: he makes her feel the very things she wanted to forget. Stirring a familiar passion she longed for but had lost the courage to pursue. They are irrepresibly drawn to each other but will she ever be able to trust him? Every Time It Rains is the story of every girl who has ever had her heart broken. And fallen in love again.

Those who do not learn from history are doomed to repeat it.--George SantayanaBut for a series of major blunders by Nehru across the spectrum--it would not be an exaggeration to say that he blundered comprehensively--India would have been on a rapidly ascending path to becoming a shining, prosperous, first-world country by the end of his term, and would surely have become so by early 1980s--provided, of course, Nehru's dynasty had not followed him to power. Sadly, the Nehru era laid the foundations of India's poverty and misery, condemning it to be forever a developing, third-rate, third-world country. By chronicling those blunders, this book highlights THE FACTS BEHIND THE FACADE.This 'Revised, Enlarged & Unabridged, June-2018 Edition' of the book comprises (a)123 Major Blunders compared to 97 of the first Digital Edition of July 2016; (b)over twice the matter, and number of words; and (c)exhaustive citations and complete bibliography. Blunders is used in this book as a general term to also include failures, neglect, wrong policies, bad decisions, despicable and disgraceful acts, usurping undeserved posts, etc.It is not the intention of this book to be critical of Nehru, but historical facts, that have often been distorted or glossed over or suppressed must be known widely, lest the mistakes be repeated, and so that India has a brighter future.

This title covers Concept Mapping – a clear, visual, and systematic model for gathering and organizing relevant assessment data, identifying patient problems, and developing patient goals, interventions, and outcomes for each nursing diagnosis. A concept map is your guide to nursing care in any clinical setting.

The Greater Goal

Selected Stories

A Classic Tale of Lust

I Too Had a Dream

A purpose-driven organization, one aligned around a goal that goes beyond the bottom line to touch on deeper human aspirations, is one of the most powerful forces on earth. But simply having a greater goal, important as that is, isn't enough. Leaders also have to know how to make that goal the foundation of their overall strategy, and how to execute that strategy while staying true to the larger purpose. Using a business fable format, Ken Jennings and Heather Hyde lay out a five point plan they call "The Star Model" that guides leaders through the process of creating profoundly motivating purpose, achieving enthusiastic buy-in from the organization, and aligning an entire organization at all levels, to this greater goal. Incorporating their research and many years of experience in strategic advisory services, executive development, and culture change, Jennings and Hyde tell the story of Alex Beckley, the new president of a medical products company who receives a dramatic wake-up call that demands he live and lead differently. The Star Model transforms not only his work life, but his personal life as well. "-

Edited by Betty Alice Erickson and Bradford Keeney, Milton H Erickson is one of the most studied people in the field of hypnosis and psychotherapy. Hundreds of thousands of words have been written analyzing his therapeutic methods and words with miles and miles of film, audio and video tapes. In Milton H Erickson MD: An American Healer read about the man Milton H Erickson, rather than his psychotherapeutic techniques. Told from the perspective of three of his children, this book uniquely explores the personal side of this world famous psychiatrist. It is a remarkable spiritual journey. As a part of his life-long struggle to overcome the physical effects of polio, Erickson acquired prodigious observational and interactional skills, as well as a powerfully calm healing presence. With photographs, stories and a DVD of one of his clinical sessions, this book brings to light the quiet spirituality of an extraordinary healer.

Jugari Cross is a suspense thriller woven around the everyday incidents that occur with an ordinary farming couple's life. The story set within 24 hours is not just a typical suspense thriller with a trace of history and a literary quest, but enormously stimulates the reader to analyze the broader spectrum of philosophy, literature, and the principles of global economies established around us. I hope the reader community will appreciate how this suspense thriller gives the glimpses of nature, ecology, social reforms, literature, global/local economies, and many more social dimensions.

The year was 2080 BCE...The epic Mahabharata war that was fought thousands of years ago between the Pandavas and the Kauravas was thought to be the last. But generations later, everyone was mistaken.The descendants of the Pandavas and the Kauravas (Pauravas) faced a mammoth invasion by the Gandharvas. The Pauravas had to face new geographical and political challenges to save the land of Bharata (Ancient India). New lessons were learned, old secrets were unveiled and new allies were made. Would the Pauravas be able to save the city of Moerjo and Hariapa? Would the Ancient Aliens (the sky Gods) really come to their rescue? Read on to know more in the story "The Last War".Can we really rely on an extra-terrestrial object as the source of unlimited power? What would be the repercussions? Read on to know more in the story "Genesis".A team of researchers went to an alien planet that was inhabited by humanoid species. However, they were faced by an imminent danger. Would Captain Hari get an answer to the imminent threat that lies ahead for his crew? Read on to know more in the story "The Holy Temple of Eula".Anna hated her eyes, until their space ship met with an imminent danger. But what you think as a curse can turn out to be your greatest blessing in a blink of an eye.

Read on to know how in the story "Blink". What if our Sun was on the verge of extinction? And what if we could resurrect our dying star? Read on to know more in the story "Resurrection".Sambit Daspatnaik offers a collection of Science Fiction stories and fantasies to trigger your mind to explore the unexplored and to ask 'What If!

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna ' s super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

India ' s Westernized elite, cut off from local traditions, ' want to write a full stop in a land where there are no full stops ' . From that striking insight Mark Tully has woven a superb series of ' stories ' which explore Calcutta, from the Kumbh Mela in Allahabad (probably the biggest religious festival in the world) to the televising of a Hindu epic. Throughout, he combines analysis of major issues with a feel for the fine texture and human realities of Indian life. The result is a revelation. 'The ten essays, written with clarity, warmth of feeling and critical balance and understanding, provide as lively a view as one can hope for of the panorama of India. ' K.

The Intellectuals Who Remade Asia

My Mute Girlfriend

Mukund Joshi is fourteen and newly in love. He attends the same private tuitions as his classmate, Shirodkar, just for a glimpse of her, and follows her back home every day. Sadly, she has not a clue that he is pining away for her, because in their society, boys and girls don't interact freely, much less talk about love. When he's not negotiating the tricky alleys of love, Mukund sits around the school floor or loafs about town with his close friends, Surya, Chitre and Phawdya, railing against the education system, and debating ideas such as discipline and Bohemianism.

Set in a small Maharashtran town during the Emergency of 1975, Shala is a heart-warming, nuanced novel about the adolescent struggles that are as tortuous in real time as they are amusing in retrospect.

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

100 Things Successful People Do is a guidebook to achieving success in any aspect of your life. You will discover the habits that are common to successful people and find out how to adopt them into your own life so that you can be successful too. Hit Refresh

Suragi

Nehru's 97 Major Blunders

Raag Darbari

"At the core, Hit Refresh, is about us humans and the unique quality we call empathy, which will become ever more valuable in a world where the torrent of technology will disrupt the status quo like never before." – Satya Nadella from Hit Refresh "Satya has charted a course for making the most of the opportunities created by technology while also facing up to the hard questions." – Bill Gates from the Foreword of Hit Refresh The New York Times bestseller Hit Refresh is about individual change, about the transformation happening inside of Microsoft and the technology that will soon impact all of our lives—the arrival of the most exciting and disruptive wave of technology humankind has ever experienced: artificial intelligence, mixed reality, and quantum computing. It's about how people, organizations, and societies can and must transform and "hit refresh" in their persistent quest for new energy, new ideas, and continued relevance and renewal. Microsoft's CEO tells the inside story of the company's continuing transformation, tracing his own personal journey from a childhood in India to leading some of the most significant technological changes in the digital era. Satya Nadella explores a fascinating childhood before immigrating to the U.S. and how he learned to lead along the way. He then shares his meditations as a sitting CEO—one who is mostly unknown following the brainy Bill Gates and energetic Steve Ballmer. He tells the inside story of how a company rediscovered its soul—transforming everything from culture to their fiercely competitive landscape and industry partnerships. As much a humanist as engineer and executive, Nadella concludes with his vision for the coming wave of technology and by exploring the potential impact to society and delivering call to action for world leaders. "Ideas excite me," Nadella explains. "Empathy grounds and centers me." Hit Refresh is a set of reflections, meditations, and recommendations presented as algorithms from a principled, deliberative leader searching for improvement—for himself, for a storied company, and for society.

Security being one of the main concerns of any organization, this title clearly explains the concepts behind Cryptography and the principles employed behind Network Security. The text steers clear of complex mathematical treatment and presents the concept.

'Kalki' R. Krishnamurthy, one of the pioneering giants of the Tamil press in the tumultuous times of the nationalist movement, was a versatile and prolific writer, inscribing the urgencies of his time in his fiction. This collection brings together the best of Kalki's short stories, which contain some of his most colourful and enduring characters and themes of Tamil popular fiction of the nineteen thirties and forties. There is in these stories the heady urgency of the freedom struggle, the piquant humour of the parodied Tamil gothic and devastating social satire. In her sensitive translations, Gowri Ramnarayan has succeeded in capturing the nuances of the gently mordant wit that made Kalki's stories the highlight of the magazines they were originally published in, creating for themselves a dedicated following that flourishes undiminished to this day. Coinciding with the centenary of Kalki's birth, this volume is a well-deserved tribute to a writer whose breadth of vision and genius imagined and served a new India.

The Story of Karma

Yayati

Every Time It Rains

Architect of 'Operation Flood', the largest dairy development programme in the world, Dr Verghese Kurien has enabled India to become the largest milk producer in the world. A man with a rare vision, Dr Kurien has devoted a lifetime to realizing his dream - empowering the farmers of India. He has engineered the milk cooperative movement in India. It was a sheer quirk of fate that landed him in Anand where a small group of farmers were forming a cooperative, Kaira District Cooperative Milk Producers'Union Limited (better known as Amul), to sell their milk. Intrigued by the integrity and commitment of their leader, Tribhuvandas Patel, Dr Kurien joined them. Since then there has been no looking back. The 'Anand pattern of cooperatives were so successful that, at the request of the Government of India, he set up the National Dairy Development Board to replicate it across India. He also established the Gujarat Cooperative Milk Marketing Federation to market its products. In these memoirs, Dr Verghese Kurien, popularly known as the 'father of the white revolution', recounts, with customary candour, the story of his life and how he shaped the dairy industry. Profoundly inspiring, these memoirs help up comprehend the magnitude of his contributions and his multifaceted personality.

"I have realized I had lost her forever. I had lost her smile, her friendship, her voice... But still, somewhere in my heart, I believed her to be my girlfriend. My mute girlfriend." Rohan is a telecom professional posted in Meerut and misses his girlfriend from college days, who had stopped interacting with him, without giving any reason. Although she had always stood by his side and her eyes reflected immense love, but she remained his mute girlfriend. The book opens with an SMS from Vaidehi to Rohan, after five long years. But before he could reply, his mobile gets damaged and he wanders in his memories to narrate a story. About how his girlfriend became his mute girlfriend after the first year of their engineering college. My Mute Girlfriend is a true romance story of how Rohan unravels the answers to why Vaidehi was mute for so long, and how her life is about to change. But little do they know that the worst is yet to come.

Things get broken. We repair them. They get a new shape. Perhaps a new identity. This applies to love as well. Because, you are yours before you are someone else's. But what happens when we fall or fall in love? After two heartbreaks, Adrika, a fiercely independent career-girl, changes her hashtag on Instagram to #HappyGoLUcky and dreams become her priority. Arjun, workaholic and socially inept, struggles with his weakness for Dimpy Aunty's daughter Anushka, and his hesitation in sharing heartaches and emotional baggage. Into this mess, steps in Dimpy

Aunty, an unlikely saviour, with all her quirks and jauntiness, steering them through rough patches in unlikely ways as only she can. Insightful, bold and witty, I Tagged Her in My Heart is based on a true story that will inspire many to look at the sunny side of life when faced with darkness.

The #1 NEW YORK TIMES Bestseller The basis for the PBS Ken Burns Documentary The Gene: An Intimate History Now includes an excerpt from Siddhartha Mukherjee’s new book Song of the Cell! From the Pulitzer Prize–winning author of The Emperor of All Maladies—a fascinating history of the gene and “a magisterial account of how human minds have laboriously, ingeniously picked apart what makes us tick” (Elie), “Sid Mukherjee has the uncanny ability to bring together science, history, and the future in a way that is understandable and riveting, guiding us through both time and the mystery of life itself.” —Ken Burns “Dr. Siddhartha Mukherjee dazzled readers with his Pulitzer Prize–winning The Emperor of All Maladies in 2010. That achievement was evidently just a warm-up for his virtuoso performance in The Gene, an intimate history, in which he braids science, history, and memoir into an epic with all the range and biblical thunder of Paradise Lost” (The New York Times). In this biography Mukherjee brings to life the quest to understand human heredity and its surprising influence on our lives, personalities, identities, fates, and choices. “Mukherjee expresses abstract intellectual ideas through emotional stories...[and] swaddles his medical rigor with rhapsodic tenderness, surprising vulnerability, and occasional flashes of pure poetry” (The Washington Post). Throughout, the story of Mukherjee’s own family—with its tragic and bewildering history of mental illness—reminds us of the questions that hang over our ability to translate the science of genetics from the laboratory to the real world. In riveting and dramatic prose, he describes the centuries of research and experimentation—from Aristotle and Pythagoras to Mendel and Darwin, from Boveri and Morgan to Crick, Watson and Franklin, all the way through the revolutionary twenty-first century innovators who mapped the human genome. “A fascinating and often sobering history of how humans came to understand the roles of genes in making us who we are—and what our manipulation of those genes might mean for our future” (Milwaukee Journal-Sentinel). The Gene is the revelatory and magisterial history of a scientific idea coming to life, the most crucial science of our time, intimately explained by a master. “The Gene is a book we all should read” (USA TODAY).

Translated by the author 'Tamasdrove the point home that ordinary people want to live in peace' The Guardian Set in a small-town frontier province in 1947, just before Partition, Tamas tells the story of a sweeper named Nathu who is bribed and deceived by a local Muslim politician to kill a pig, ostensibly for a veterinarian. The following morning, the carcass is discovered on the steps of the mosque and the town, already tension-ridden, erupts. Enraged Muslims massacre scores of Hindus and Sikhs, who, in turn, kill every Muslim they can find. Finally, the area's British administrators call out the army to prevent further violence. The killings stop but nothing can erase the awful memories from the minds of the survivors, nor will the various communities ever trust one another again. The events described in Tamas are based on true accounts of the riots of 1947 that Sahni was a witness to in Rawalpindi, and this new and sensitive translation by the author himself resurrects chilling memories of the consequences of communalism which are of immense relevance even today.

In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chandler's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chandler persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chandler spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, Chandler & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.

Connecting Purpose and Performance

Mrs Funnybones

U.R. Ananthamurthy (1932-2014), author of Samskara and such other contemporary Indian classics, wrote in Kannada. Born in the heart of the Western Ghats, he grew up in an atmosphere steeped in Vedic thought. Suragi is his autobiographical work where he recounts how he grappled with questions of religion and secularism, orthodoxy and modernity, authoritarianism, and democracy. Drawing from Indian thought, he developed the concept of the critical insider, arguing that criticism of a culture becomes genuine and worthy of acceptance when it comes from one living within it. His evocative writing portrayed relationships shaped by the flux of contemporary India. He won the highest literary honours in India, including the Jnanpith, and was shortlisted for the Booker prize. He headed the National Book Trust and Sahitya Akademi, and served as vice-chancellor of Mahatma Gandhi University, Kottayam. Travelling across the world, Ananthamurthy served as a cultural ambassador who represented India through its ideas and metaphors. He did not shy away from unpopular stands, and remained a daring writer and provocateur till the very end. Suragi tells the story of his life. 'Suragi' is the flower that leaves behind a sweet fragrance long after its freshness is no more.

Articles on human mind and evolutionary psychology.

Twelve-year-old Siya has been missing for nine months. It's a cold case, but Keshav wants to help his mother, Alia, who refuses to give up. 'My daughter Siya was kidnapped. Nine months ago,' Alia said. The police had given up. They called it a cold case. Even the rest of her family had stopped searching. Alia wouldn't stop looking, though. She wanted to know if I could help her. Hi, I am Keshav Rajpurohit and I am a disappointment to everyone around me. I live with my parents, who keep telling me how I should: a) get married, b) focus on my IPS exams, c) meet more people and d) close my detective agency. But Alia Arora, neighbour and ex-model, wanted my help. And I couldn't take my eyes off her face ... I mean ... her case. Welcome to 400 Days. A mystery and romance story like no other. An unputdownable tale of suspense, human relationships, love, friendship, the crazy world we live in and, above all, a mother's determination to never give up. From India's highest-selling author comes a page-turner that will not only keep you glued to the story but also touch you deeply.

Mrityunjaya, the Death Conqueror

Midnight's Furies

The Deadly Legacy of India's Partition

Tamas

Milton H. Erickson, M.D.

She's just like You and a lot like Me

After centuries of British rule, nobody expected Indian Independence and the birth of Pakistan to be so bloody - they were supposed to be the answer to the dreams of Muslims and Hindus. Jawaharlal Nehru, Gandhi's protégé and the political leader of India, believed Indians were an inherently nonviolent, peaceful people. Pakistan's founder, Mohammad Ali Jinnah, was a secular lawyer, not a firebrand. But in August 1946, exactly a year before Independence, Calcutta erupted in street-gang fighting. A cycle of riots - targeting Hindus, then Muslims, then Sikhs - spiraled out of control. As the summer of 1947 approached, all three groups were heavily armed, and on edge, and the British rushed to leave. Hell let loose. Trains carried Muslims west and Hindus east to their slaughter. Some of the most brutal and widespread ethnic cleansing in modern history erupted on both sides of the new border, carving a gulf between India and Pakistan that remains a root cause of many evils. From jhadi terrorism to nuclear proliferation, the searing tale told in Midnight's Furies explains all too many of the headlines we read today.

I don't write about my experiences with depression to defend the legitimacy of my pain. My pain is real; it does not come to me because of my lifestyle, and it is not taken away by my lifestyle. Unwittingly known as Alia Bhatt's older sister, screenwriter and fame-child Shaheen Bhatt has been a powerhouse of quiet restraint-until recently. In a sweeping act of courage, she now invites you into her head. Shaheen was diagnosed with depression at eighteen, after five years of already living with it. In this emotionally arresting memoir, she reveals both the daily experiences and big picture of one of the most debilitating and critically misinterpreted mental illnesses in the twenty-first century. Equal parts conundrum and enlightenment, Shaheen takes us through the personal pendulum of understanding and living with depression in her privileged circumstances. With honesty and a profound self-awareness, Shaheen lays claim to her sadness, while locating it in the universal fabric of the human condition. In this multi-dimensional, philosophical tell-all, Shaheen acknowledges, accepts and overcomes the peculiarities of living with depression.

A topic of massive interest to anyone with mental health disorders, I've Never Been (Un)Happier stretches out its hand to gently provide solace and solidarity.
