Amazon.co.uk: world map posters

The maps are amazing, but it loses two stars for the size - it's an awkward 10ish x 14ish size (each page is basically the same size as the book, and there is no real margin, so you can't trim one side without losing part of the print) so you really have to get a custom frame made if you want to frame any of these (which is what we intended to do for our daughter's room).
