Pandavapuram The paramours of Pandavapuram- they are the real nuisance/nightmare of all new brides who come there for their dream life. The Goddess who sits in the sanctum like a real brightening Indian bride always safeguards the innocent brides of Pandavapuram Will she continue her protection ? Mr. Sethu who is author of several best sellers like Adyaksharangal, Adayalangal, Marupiravi, Aramathe Penkutty etc doubts, Are these brides longing for a right to have more than one husband? In this new era of life; Do all our brides want to imitate Draupadi who had a legal consent for polygamy? Can't they be satisfied with one husband? The curious readers can go through a real mysterious fiction and they will surely enjoy the book with a different feeling

The Hanging Gardens of Babylon... The hanging of four French villagers in World War II... The hanging of an old man in a Scottish cemetery... Seemingly random facts linked to one man... Detective Inspector John Rebus is buried under a pile of paperwork generated by his investigations into a suspected war criminal, and his immediate supervisors are more than happy to have him tucked away in a quiet backwater for several months. However, the escalating dispute between upstart Tommy Telford and Big Ger Cafferty's gang soon gives Rebus an escape clause. Telford is known to have close ties to a man nicknamed Mr. Pink Eyes, a brutal gangster running a lucrative business bringing Chechen refugees into Britain to work as prostitutes. And when Rebus takes under his wing a distraught Bosnian call girl, it gives him a personal reason to make sure Telford takes the high road out of town. Within days, Rebus's daughter is the victim of an all-too-professional hit-and-run, and Rebus knows that there's nothing he won't do to bring down prime suspect Tommy Telford--even if it means cutting a deal with the devil. A chilling glimpse into the darkest extremes of human cruelty, a page-turning literary thriller, *The Hanging Garden*, the ninth entry in Ian Rankin's award-winning series confirms his reputation as a writer of rare and lasting gifts.

This book provides a thought-provoking analysis of the forces shaping and strengthening the rich cultural heritage of India and the factors which undermine it. It is perceived in its historic dimension as the creative force which fashions the sensibility

Winner of the Restless Books Prize for New Immigrant Writing "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, starred review

In the United Arab Emirates, foreign nationals constitute over 80 percent of the population. Brought in to construct and serve the towering monuments to wealth that punctuate the skylines of Abu Dhabi and Dubai, this labor force is not given the option of citizenship. Some ride their luck to good fortune. Others suffer different fates. Until now, the humanitarian crisis of the so-called "guest workers" of the Gulf has barely been addressed in fiction. With his stunning, mind-altering debut novel *Temporary People*, Deepak Unnikrishnan delves into their histories, myths, struggles, and triumphs. Combining the linguistic invention of Salman Rushdie and the satirical vision of George Saunders, Unnikrishnan presents twenty-eight linked stories that careen from construction workers who shapeshift into luggage and escape a labor camp, to a woman who stitches back together the bodies of those who've fallen from buildings in progress, to a man who grows ideal workers designed to live twelve years and then perish—until they don't, and found a rebel community in the desert. With this polyphony of voices, Unnikrishnan maps a new, unruly global English and gives personhood back to the anonymous workers of the Gulf. "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, Starred Review

"Inventive, vigorously empathetic, and brimming with a sparkling, mordant humor, Deepak Unnikrishnan has written a book of Ovidian metamorphoses for our precarious time. These absurdist fables, fluent in the language of exile, immigration, and bureaucracy, will remind you of the raw pleasure of storytelling and the unsettling nearness of the future." —Alexandra Kleeman, author of *You Too Can Have a Body Like Mine*

"Inaugural winner of the Restless Books Prize for New Immigrant Writing, this debut novel employs its own brand of magical realism to propel readers into an understanding and appreciation of the experience of foreign workers in the Arab Gulf States (and beyond). Through a series of almost 30 loosely linked sections, grouped into three parts, we are thrust into a narrative alternating between visceral realism and fantastic satire.... The alternation between satirical fantasy, depicting such things as intelligent cockroaches and evil elevators, and poignant realism, with regards to necessarily illicit sexuality, forms a contrast that gives rise to a broad critique of the plight of those known euphemistically as 'guest workers.' VERDICT: This first novel challenges readers with a singular inventiveness expressed through a lyrical use of language and a laserlike focus that is at once charming and terrifying. Highly recommended." —Henry Bankhead, *Library Journal*, Starred Review

"Unnikrishnan's debut novel shines a light on a little known world with compassion and keen insight. The *Temporary People* are invisible people—but Unnikrishnan brings them to us with compassion, intelligence, and heart. This is why novels matter." —Susan Hans O'Connor, *Penguin Bookshop* (Sewickley, PA)

"Deepak Unnikrishnan uses linguistic pyrotechnics to tell the story of forced transience in the Arabian Peninsula, where citizenship can never be earned no matter the commitment of blood, sweat, years of life, or brains. The accoutrements of migration—languages, body parts, passports, losses, wounds, communities of strangers—are packed and carried along with ordinary luggage, blurring the real and the unreal with exquisite skill. Unnikrishnan sets before us a feast of absurdity that captures the cruel realities around the borders we cross either by choice or by force. In doing so he has found what most writers miss: the sweet spot between simmering rage at a set of circumstances, and the circumstances themselves." —Ru Freeman, author of *On Sal Mal Lane*

"Deepak writes brilliant stories with a fresh, passionate energy. Every page feels as if it must

have been written, as if the author had no choice. He writes about exile, immigration, deportation, security checks, rage, patience, about the homelessness of living in a foreign land, about historical events so strange that, under his hand, the events become tales, and he writes tales so precisely that they read like history. Important work. Work of the future. This man will not be stopped. ” —Deb Olin Unferth, author of *Revolution* “ From the strange Kafka-esque scenarios to the wholly original language, this book is amazing on so many different levels. Unlike anything I've ever read, *Temporary People* is a powerful work of short stories about foreign nationals who populate the new economy in the United Arab Emirates. With inventive language and darkly satirical plot lines, Unnikrishnan provides an important view of relentless nature of a global economy and its brutal consequences for human lives. Prepare to be wowed by the immensely talented new voice. ” —Hilary Gustafson, Literati Bookstore (Ann Arbor, MI) “ Absolutely preposterous! As a debut, author Unnikrishnan shares stories of laborers, brought to the United Arab Emirates to do menial and everyday jobs. These people have no rights, no fallback if they have problems or health issues in that land. The laborers in *Temporary People* are sewn back together when they fall, are abandoned in the desert if they become inconvenient, and are even grown from seeds. As a collection of short stories, this is fantastical, imaginative, funny, and even more so, scary, powerful, and ferocious. ” —Becky Milner, Vintage Books (Vancouver WA)

The District Primary Education Programme is one of the home grown innovative educational programmes with three main goals universal access, retention and achievement. It is an ambitious national programme firmly rooted in the national policy on Education aiming to achieve Education For All by 2000 A.D. It is a sustainable, cost-effective and replicable one on a national scale. It is also an exercise in decentralised planning which puts local communities in charge of education. The districts chosen under it represent those where female literacy is below the national average of 52.21%. With great hope, conviction and preparation it was launched on November 8, 1994. DPEP will be another success story in the field of education. Let the goals of DPEP be realised and in process, every one of the society be a part of this success story.

God's Little Soldier

Al Arabian Novel Factory

Chiefly on the projects initiated by the Community Action for Development, a nongovernment organization, in the slums of Nagpur, India.

God's Little Soldier From the backstreets of Bombay to the hallowed halls of Cambridge, from the mountains of Afghanistan to a monastery in California, the story of Zia Khan is an extraordinary rollercoasterride; a compelling cliffhanger of a spiritual quest, about a goodman gone bad and the brutalization of his soul. Growing up in a well-to-do, cultured Muslim family in Bombay, Zia, a gifted young mathematician, is torn between the unquestioning certainties of his aunt's faith and the tolerant, easy-going views of his parents. At Cambridge University, his beliefs crystallize into a fervent orthodoxy, which ultimately leads him to a terrorist training camp in Afghanistan. The burden of endemic violence and killings, however, takes its toll on Zia. Tormented by his need for forgiveness, he is then drawn reluctantly to Christ. But peace continues to elude him, and Zia is once again driven to seek out causes to defend and fight for, whatever be the sacrifices involved. Posited against Zia is his brother, Amanat, a writer whose life is severely constrained by sickness, even as his mind is liberated by doubt. Theirs is a relationship that is as much a blood bond as it is an opaque wall of incomprehension. Weaving together the narratives of the extremist and the liberal, *God's Little Soldier* underscores the incoherent ambiguities of good and evil, and the tragic conflicts that have riven people and

nations.

Ravan and Eddie are the unlikeliest of companions. For one thing, Ravan is Hindu, while Eddie is Catholic. For another, when Ravan was a baby and fell from a balcony, that fall had a dramatic, and very literal, impact on Eddie ' s family. But Ravan and Eddie both live in Central Works

Department Chawl No. 17—and if you grow up in the crowded Mumbai chawls, you get to participate in your neighbors' lives, whether you like it or not. As we watch the two unlikely heroes of Kiran Nagarkar's acclaimed novel rocket out of the starting blocks of their lives, leaving earth-mothers and absentee fathers, cataclysms and rock ' n ' roll in their wake, we're compelled to sit up and take notice. Recently selected by The Guardian as one of the ten best novels about Mumbai, Ravan and Eddie is a comic masterpiece about two larger- and truer-than-life characters and their bawdy, Rabelaisian adventures in postcolonial India. It is also a timeless journey of self-discovery, a quest for the meaning of guilt and responsibility, sin and sex, crime and punishment.

Written For The Students Of B.Ed. Of Indian Universities This Book Is Equally Useful In Middle-East And South-East Asian Countries By Virtue Of Its Authoritative Coverage. For Some Time Now The Subject Of History Has Been Losing Ground On Utility And The Interest It Once Commanded. The Book Is An Attempt At Re-Instilling Interest In The Teaching And Learning Of The Subject With Its Inspirational And Effective Methods. In That Respect It Is Addressed To All Those Who Are Interested In The Subject And Want To Maintain It As A Subject Of Study.

Journeying from the green, rain-soaked Kerala into the amphitheatre of the Sun, our traveller-

journalist finds that there is no better metaphor than the desert to instil the lessons of life and death,

love and hatred, thirst and water. From a single shower of rain which brings the gaaf tree back to life

after a decade to the ever-shifting dunes of gold and thousand-year-old sand palaces, the mysterious

poetry of the desert is everywhere on display, if one but has the eye and heart to see it. As the deserts
