

Meaning Makers

Meaning Makers Meaning Makers Collective - We guide and support schools and organizations to make meaning of current challenges, repair and strengthen relationships, and develop an organizational culture that advances well-being for all. Meaning Makers

Meaning and making meaning This week we start off with exploring the essence of meaning, and why meaning is important at work. We also explore the conditions that facilitate or hinder meaning making. We look at how meaning could be enhanced by ensuring a fit between work and those who undertake it. As executives leave the days of "Whac-A-Mole" behind, they

need to become meaning-makers. They must help employees at all levels of their organization find compelling reasons to work, because when...

mak - er 1. One that makes or manufactures. Often used in combination: a filmmaker; a maker of fine violins. 2. One who engages in creative do-it-yourself projects, especially those involving technology. 3. Law A party that signs a promissory note or contract. 4. Maker God. Often used with a ...

Maker - definition of maker by The Free Dictionary

In psychology, meaning-making is the process of how people construe, understand, or make sense of life events, relationships, and the self. The term is widely used in constructivist approaches to counseling psychology and psychotherapy, especially during bereavement in which people attribute some sort of meaning to an experienced death or loss. The term is also used in educational psychology. In a broader sense, meaning-making is the main research object of semiotics, biosemiotics, and other fields.
