Word Power Made Easy - Norman

Lewis(Part - 3){in Tamil} || Fresh Start  
Mele Ange

After the founder of the historic gay bar M é lange mysteriously and suddenly dies, his younger protege and estranged ex-wife battle for control of the legendary bar. As the stakes rise and

tensions mount, Mé lange becomes infested with betrayal, corruption, and revenge.

Mé lange (TV Series 2020 – ) - IMDb  
In geology, a mé lange is a large-scale breccia, a mappable body of rock

characterized by a lack of continuous bedding and the inclusion of fragments of rock of all sizes, contained in a fine-grained deformed matrix. The mélange typically consists of a jumble of large blocks of varied lithologies.

1. A mixture: "[a] building crowned with

a m é lange of antennae and satellite dishes" (Howard Kaplan). 2. Geology A metamorphic rock formation created from sediments and rocks scraped off the top of a downward-moving tectonic plate in a subduction zone.

## Melange - definition of melange by The Free Dictionary

M é lange got mixed into the melting pot of English back in the 1600s. It derives from the Middle French verb mesler, which means "to mix." "M é lange" is actually one of several French

contributions to the English body of words for miscellaneous mixtures.
