Re: Which service manual for my 85 Mercruiser 140 A little confused here Matt. The 6855069 is for an 85, the 6813418 is for an 84, both are manual #6, but neither are

*Page 113/114*

for the engine itself.  
Both are drive or  
transom shield  
numbers. No way to  
tell which.
