It ' s also no secret that sometimes, mergers and acquisitions don ' t go as planned. What ' s the most common reason mergers and acquisitions fail? The human (cultural) factor. According to

*Page 15/152*

the International Journal of Innovation and Applied Studies, the largest contributor to merger and acquisition failure has to do with people. That is, how we cope (or not) with cultural differences and a lack

of effective communication.

How to manage company  
culture during mergers and  
acquisitions

In mergers and acquisitions  
(M&A), special emphasis is

*Page 17/152*

usually placed on the strategic and financial goals of the deal, while the psychological, cultural, and human resource implications do not receive as much attention.
