An epic Medieval adventure of the Hundred Years War When Martin Kemp joins the English army in order to avoid the hangman, he may just be delaying the inevitable. While he remains hopeful that at least there's the chance for some heroics, the reality is very different. Kemp's war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an elite longbowman, when it comes to winning or losing, he could have a vital – though dangerous – part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.

?DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

As Shakespeare's best-known and most written-about text, indeed one of the world's most studied texts, Hamlet has inspired countless interpretations and adaptations by artists and writers the world over. At the same time, Hamlet is itself an adaptation of Danish folklore retold through Latin, French, and English translations. Using the possible/fictional-world theories of Saul Kripke, David Lewis, Lubomír Doležel, Douglas Lanier, and others, this work examines Shakespeare's Hamlet as an adaptation of its historical and literary sources, alongside a representative sample of texts in English, French, and Spanish which use Hamlet as their source. Texte le plus célèbre et le plus glosé de Shakespeare, et sans doute l'un des textes les plus étudiés au monde, Hamlet a inspiré d'innombrables interprétations et adaptations, signés par des artistes et écrivains venus des quatre coins du globe. Dans le même temps, Hamlet est lui-même une adaptation du folklore danois, revisité à travers ses traductions latines, françaises et anglaises. S'appuyant sur les théories des mondes possibles/fictionnels de Saul Kripke, David Lewis, Lubomír Doležel et Douglas Lanier, entre autres, cette étude examine l'Hamlet de Shakespeare en tant qu'adaptation de ses sources historiques et littéraires, à côté d'un échantillon représentatif de textes de langue anglaise, française et espagnole dont Hamlet est la source.

A sinfully sexy brother's best friend romance from bestselling authors Lauren Blakely and Lili Valente! When you think about how easy it is to lose keys, phones, sunglasses and your dignity on social media, you might figure it'd be a cinch for me to ditch my V Card. You'd be wrong. At 25, I run a successful business, live in a fantastic apartment, and have fabulous friends to go out with any night of the week. And yet I'm still a card-carrying member of a club I don't want to belong to anymore. Good thing I know just the man for the deflowering job—my brother's business partner and best friend. Graham Campbell is charming, smart, and, I'm told, oh-so-skilled in the sack. As long as I keep my eyes on the prize, there's no way this pluck-the-flower project could possibly complicate matters. *** Work and pleasure. As the CEO of a fast-growing company, I've been enjoying both to the fullest. What do I do when the board throws me for an unexpected loop so I can keep my business in my hands? I enlist the help of my best friend's little sister since she holds a big stake in the company. But then I learn there's another big stake she wants. The one between my legs. I can do this. Seven nights to teach her everything I know in the bedroom. There's no way I'll fall for her, even though she's earning top grades in every single sinfully sexy lesson. And turns out I'm learning something too. The trouble is I don't have the answer key to what to do when I fall hard for her. And that throws a whole new hitch in my plans.

She thought she'd protected her heart... After a tumultuous childhood, nurse Jamie Westmoreland craves the comfort of predictability. She loves her quiet life in a small Texas ranching town and finally feels in control until a handsome rancher becomes her newest patient. He challenges her at every turn, but Jamie is too stubborn to admit she enjoys their sparring, and that he makes her heart race. But when his charming little cowboy son starts following her around, her long-neglected heart opens. Thomas Tremayne, the eldest son of a well-respected local ranching family, is both mom and dad to his young son and has no plans to change. When a ranch injury requires an in-house expert, the nurse who called him out on his attitude is sent to help him heal. She's even harder to resist on his ranch than she was at the hospital, but Thomas is determined to try—except he's out-numbered. His son decided he wants a mom, and nurse Jamie is his choice. Can two stubborn adults let down their guard long enough to let love in again?
