Eliza Knight's bestselling Scottish historical romance series, *The Stolen Bride Series*, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish-whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

California-Mexican-style recipes and menus from the beloved Food Network host From the long-time host of Food Network's *Mexican Made Easy* and now co-host of *The Kitchen* comes Marcela's most personal collection of recipes yet, a reflection of her experience growing up in Tijuana and traveling back and forth to San Diego to see family and friends and for school. This book captures a culture centered around food, loved ones, and gatherings with mouthwatering recipes and in vibrant photography, all shot at Valladolid's home. Mexican food really is simple at its core, if you have some extra time for slow roasting meats or to prepare a few salsas, and the results are sure to impress. There are small bites like Cod Fritters with Chipotle Tartar Sauce and Grilled Steak and Cheese Tostadas; entrees such as Red Chile Lamb Stew and Roasted Tomatillo Salmon; and even drinks and desserts for special occasions, including Strawberry Layered Tres Leches Cake. With mouthwatering recipes and evocative photography, Casa Marcela presents Mexican food in a way never seen before.

One hundred of the most evocative modern poems on joy, selected by an award-winning contemporary poet "Bursting with energy and surprising locutions. . . . Even the most familiar poets seem somehow new within the context of Joy."--David Skeel, *Wall Street Journal* "Wiman takes readers through the ostensible ordinariness of life and reveals the extraordinary."--Adrianna Smith, *The Atlantic* Christian Wiman, a poet known for his meditations on mortality, has long been fascinated by joy and by its relative absence in modern literature. Why is joy so resistant to language? How has it become so suspect in our times? Manipulated by advertisers, religious leaders, and politicians, joy can seem disquieting, even offensive. How does one speak of joy amid such ubiquitous injustice and suffering in the world? In this revelatory anthology, Wiman takes readers on a profound and surprising journey through some of the most underexplored terrain in contemporary life. Rather than define joy for readers, he wants them to experience it. Ranging from Emily Dickinson to Mahmoud Darwish and from Sylvia Plath to Wendell Berry, he brings together diverse and provocative works as a kind of counter to the old, modernist maxim "light writes white"--no agony, no art. His rich selections awaken us to the essential role joy plays in human life.

This comprehensive book covers a wide range of key topics, from space and science to history and the natural world. Crammed with amazing facts and fantastic photographs, this Junior Encyclopedia provides children with a wealth of knowledge in an accessible format, while captions, annotation and special panels supply extra information.

There are more than six thousand human languages, each one unique. For the last five hundred years, people have argued about how important language differences are. This book traces that history and shows how language differences have generally been treated either as of no importance or as all-important, depending on broader approaches taken to human life and knowledge. It was only in the twentieth century, in the work of Franz Boas and his students, that an attempt was made to engage seriously with the reality of language specificities. Since the 1950s, this work has been largely presented as yet another claim that language differences are all-important by cognitive scientists and philosophers who believe that such differences are of no importance. This book seeks to correct this misrepresentation and point to the new directions taken by the Boasians, directions now being recovered in the most recent work in psychology and linguistics.

The war is over and blackouts are a thing of the past, except in the village of Melchester, where the local council has refused to sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing, a police constable is helping himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new verse on his lips. She will never hear it, sadly, for the young man is stopped along his way – stopped forever, by the tight grip of the garrote. The local constabulary wastes no time reaching out to Scotland Yard, which sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets – and one citizen whose soul is as dark as the village night.

"What?" Naomi gasped. "I'm not going anywhere with you!" Alaric could already scent two more witches approaching her apartment. "Sorry about this," he murmured, as he probed her mind. Her thoughts were frantic, moving at an impossible speed. All will be well, he told her silently. Rest now. This ground-breaking book provides fascinating insights into the fast-emerging body of research that explores the relationship between sport, theology and disability within a social justice framework. In the shadow of two major sport-faith events that fore-fronted the theology of disability sport, the Vatican's international conference--Sport at the Service of Humanity and the Inaugural Global Congress on Sports and Christianity York St John University, UK, at which Dr Brian Brock led a thematic strand on the topic--this book provides a foundation for further research and practice. This text is a timely and important synthesis of ideas that have emerged in two previously distinct areas of research: (i) 'disability sport' and (ii) the 'theology of disability'. Examples of subjects addressed in this text include: elite physical disability sport--Paralympics; intellectual disability sport--Special Olympics; equestrian sport; church, sport and disability, and; theologies of embodiment, competition and mercy. This book, written by leaders in their respective fields, begins a critical conversation on these topics, and many others, for both researchers and practitioners. The chapters originally published in the Journal of Disability and Religion and Quest.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Robert Moore Williams (1907-1977) was an American writer, primarily of science fiction. He wrote not only under his own name, but as John S. Browning, H. H. Hermon, Russell Storm and E. K. Jarvis (a house name shared with other writers). Rereading his work in preparation for assembling this volume, we were impressed by how well much of his fiction holds up today. His writing style is smooth and crisp, and he avoids scientific lectures, preferring to let the plots speak for himself. Included in this volume are: PLANET OF THE GODS THE NEXT TIME WE DIE SINISTER PARADISE THOMPSON'S CAT PUBLICITY STUNT MARTIAN ADVENTURE BRIDGE OF LIFE BE IT EVER THUS THE LOST WARSHIP THE ACCIDENTAL MURDERS If you enjoy this ebook, don't forget to search your favorite ebook store for "Wildside Press Megapack" to see more of the 250+ volumes in this series, covering adventure, historical fiction, mysteries, westerns, ghost stories, science fiction -- and much, much more!

Earned value management (EVM) is a management methodology for integrating scope, schedule, and resources; objectively measuring project performance and progress; and forecasting project outcome. It is considered by many to be one of the most effective performance measurement and feedback tools for managing projects. The Standard for Earned Value Management builds on the concepts for EVM described in the Practice Standard for Earned Value Management and includes enhanced project delivery information, by integrating concepts and practices from the PMBOK® Guide - Sixth Edition and The Agile Practice Guide. A central theme in this standard is the recognition that the definition for value in EVM has expanded. While the term retains its traditional definition in terms of project cost, it embraces current practice by including the concept of earned schedule. This standard also integrates hybrid methodologies that blend together historical EVM concepts with the needs of the agile practitioner, all with an eye towards aiding the project team in enhancing overall project delivery. This standard is a useful tool for experienced project management practitioners who are seeking to expand and update their knowledge of the field as well as less experienced practitioners who want to learn other approaches for managing project performance. It provides insight and detailed explanations of the basic elements and processes of EVM, and demonstrates how to scale EVM to fit varying project sizes and situations. This standard includes graphical examples and detailed explanations that will enable the reader to establish and implement EVM on projects in almost any environment and of almost every size. When used together with good project management principles, EVM methodology will provide a greater return on any project and results that will directly benefit your organization.

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

Poetry. African American Studies. "These poems are at once a road trip of a new type and a tour of the little-known icons of our urban landscape, where brand-name objects and what might be called 'literary' symbols get all mixed together in these verses that consider space, love and lovers, small rooms, and even smaller cars. In ADVENTURES OF PI, Williams holds a mirror up to our own world, where everyday life moves along 'like traffic / accidents observed from helicopters // that fail to finger the finger / that / popped / up / just before the pile-up.'" "This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, The Widow Waltz explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

ÜBER 700 SEITEN „ABSOLUT FESSELNDE“ UND „UNGLAUBLICH BERÜHRENDE“ DARK ROMANCE - ABGESCHLOSSENER ROMAN
»Eine epische Dark Romance mit herzerreißender Tiefe und knisternder Sinnlichkeit!« - Anna Zaires,
Bestsellerautorin der New York Times Vor sechs Jahren hat Harold Dalton mich mit einem fingierten
Diebstahl reingelegt und mich ins Gefängnis gebracht, um meinen Diamantenfund zu stehlen. Im Austausch

für die Grabungsrechte gab er seine Tochter Jack Clarke. Heute bin ich ein freier Mann, und will meine Rache. Sechs Jahre voller Grausamkeiten machen aus Menschen Bestien. Ich werde mir das zurückholen, was er mir gestohlen hat, und noch mehr. Ich bin nicht an seinen Immobilien oder Aktien interessiert. Ich will sein Kleingeld nicht. Ich will seinen größten Schatz, die schöne, mental instabile Angelina Dalton-Clarke. Mit ihren Milliarden ist sie die reichste Witwe des Landes, und auch die verrückteste. Ihre selbstverletzenden Tendenzen hatten Jack dazu veranlasst, sie für unzurechnungsfähig erklären zu lassen, bevor er sich eine Waffe an den Kopf hielt und sich das Gehirn rausblies. Lina darf keinen Cent ihres Reichtums anfassen. Ihr Vater verwaltet ihre Finanzen und hat alle Unterschriftsvollmachten. Als ihr Mann werden mir diese Aufgaben zufallen, aber wenn sie denkt, dass ich sie nur wegen ihres Geldes will, irrt sie sich gewaltig.

The line began forming after eight o'clock. Sal, short and heavy-set, kept everyone busy. Neat, in a white shirt and sports jacket, with his grey fedora cocked to the side, his crooked grin made you smile. Without warning the heavy door would swing open and the waiters would come outside to join him. They were dressed in pajamas or prison garb, with hats and horns, and were there to warm up the crowd. Some in line expected this, others were shocked. The pink polka dot building should have been a warning. Complete strangers in line became chummy, exchanging stories they had heard; toilet seat covers to serve drinks on, microphones in the ladies room, toilet paper for napkins. Most had brought their friends there to be roasted. The line of people varied in age. They all dressed casually because they'd heard you could get a pie in the face or a squirt in the eye. The club's routines were blue in color, but harmless. If you were lucky you might see a "Balls for the Queen" or a "Singing beer." The price was always right for a good time and Warm Beer and Lousy Food was the place to be.

This 2018 Article IV Consultation highlights that Bhutan continued to make strides in raising per capita incomes and reducing poverty as it concluded the 11th Five Year Plan in 2018. Notably, poverty declined from 12 percent in 2012 to 8.2 percent, and extreme poverty fell to just 1.5 percent. The country is poised to transition to middle-income status, with per capita incomes at nearly US\$3,600 in 2018, up from US\$1,100 in 2004. Growth has remained robust, averaging 6 percent over the 11th Plan. In FY2018, growth is expected to slow to 5.8 percent from 7.4 percent in FY2017, reflecting slowing construction activity of hydropower projects set to come on stream in 2018 and beyond.
