

## Narcissistic Leaders Who Succeeds And Who Fails

Trying hard, I wrongly alienated and lost a few of these patients, until one of them brought me an earlier version of Narcissistic Leaders: Who Succeeds and Who Fails. Trained by Erich Fromm as a psychoanalyst, with advanced degrees in psychology, anthropology, and business, Michael Maccoby is one of the leading business consultants of our era.

Narcissistic Leaders: Who Succeeds and Who Fails. Rather than hide behind the corporate veil, they give interviews to magazines like Business Week, Time, and the Economist. According to psychoanalyst, anthropologist, and consultant Michael Maccoby, this love of the limelight often stems from their personalities--in a narcissistic personality.

In reality, narcissistic leadership succeeds (with limited and qualified and sometimes disastrous effects) because of a leader's negative tendencies. These may combine constantly or occasionally with a few positive aspects, but broadly the effects of narcissistic leadership are negative.
