

## National Geographic Atlas World Revised Fifth

This volume of world maps has been completely revised and updated with visualizations of international trends and global conditions. National Geographic's flagship Atlas of the World, now in its 11th edition, provides maps of every country, ocean, and region of the world, as well as thematic maps and accompanying graphics showing population, environmental, and economic patterns.

National Geographic Atlas of the World - Revised Third ...

NG Atlas of the World, 11th Edition: National, Geographic ...

When National Geographic published its first Atlas of the World more than 35 years ago, the world was indeed a different place. In order to cover today's world--including its oceans, stars, climate, natural resources, and more--National Geographic has published its seventh edition of the Atlas of the World. With each new edition, National Geographic strives to make its atlas more than just maps.
