Assessment Study Guides and Practice Tests : NCCER Support  
NCCER Scaffolding NCCER's Scaffolding curriculum teaches trainees about stationary, mobile and suspension scaffolds, as well as the tools and equipment used in this industry. Trainees also learn best practice for safety on the job site and any mathematical applications that will be used on the job. The NCCER digital newsroom, Breaking Ground, focuses on

workforce development, training and innovation within the construction industry as well as highlighting exceptional NCCER sponsors and instructors. Previously known as the Cornerstone magazine, the newsroom is the combination of the print magazine and NCCER's weekly blog. [Learn More](#)
