

Neoliberal Hegemony And The Pink Tide In Latin America Breaking Up With Tina

International Political Economy Series

'Oh I see a man at the back as a matter of fact his eyes are at red as the sun' - Satan ID'd, to some reiteration of Pink Floyd, to wit; 'forward he cried as the front rank died ...

The battle for neoliberal hegemony: ... , political phase that gives rise to the so-called pink tides...all of the left-wing governments, from Chávez to Lula, you know, ...

Chodor examines the struggles against neoliberal hegemony in Latin America, under the 'Pink Tide' of leftist governments. Utilizing a critical International Political Economy framework derived from the work of Antonio Gramsci, he looks at its two most prominent members -- Venezuela under Hugo Chávez and Brazil under Lula and Dilma Rousseff.--Provided by publisher.

In Chapter 2, I analysed the neoliberal world order, indicating that whilst this order is largely hegemonic in the core, this hegemony wore thinner the closer it advanced to the periphery. This is particularly the case in Latin America, where some of the most forceful resistance to the neoliberal project has emerged in the form of the Pink Tide.

Neoliberal Hegemony And The Pink

The book examines the 'Pink Tide' of leftist governments in Latin America struggling against neoliberal hegemony from a critical International Political Economy perspective. Focusing particularly on Venezuela and Brazil, it evaluates the transformative and emancipatory potentials of their political projects domestically, regionally and globally.

Utilizing a critical International Political Economy framework derived from the work of Antonio Gramsci, he looks at its two most prominent members -- Venezuela under Hugo Chávez and Brazil under Lula and Dilma Rousseff.--Provided by publisher.

Neoliberal hegemony and the Pink Tide in Latin America ...

Latin America's "pink tide" governments challenge neoliberalism and US hegemony, but leave the basic structures of capitalism intact. Our new issue, "Failure Is an Option," is out soon. We discuss why the United States is a laggard among other rich countries when it comes to our social indicators, and why the institutional breakdown we're seeing now won't stop after Trump leaves office.

What Happened to the Pink Tide? - Jacobin

Rethinking Hegemony (2015), Neoliberal Hegemony and the Pink Tide in Latin America: Breaking Up with TINA? That's not to say that 'variegated neoliberalism' doesn't offer useful insights, but Worth's claim that Cox cannot account for such variation is not strictly the case.
