

Neonatal And Pediatric Respiratory Care 4e

It is one where you can truly define yourself with your patients, their families, and the care team. With some dedication you can build a long, successful, rewarding career in neonatal-pediatrics. Find out more about neonatal-pediatric respiratory care by joining the AACR's Neonatal-Pediatric Specialty Section. The section is open to any AACR member interested in the care of children and neonates and includes members from some of the nation's top children's hospitals.

Neonatal/Pediatric Specialty (NPS) – The National Board ...

Neonatal and Pediatric Respiratory Care | Thoracic Key

Neonatal/Pediatric Specialty (NPS) The Neonatal/Pediatric Respiratory Care Specialty (NPS) Examination objectively measures the knowledge and skills of respiratory therapists working in this specialty area. It goes above and beyond general respiratory care activities to focus specifically on competencies that are unique to neonatal/pediatric respiratory care. Acute respiratory failure caused by different origins continues to be the major etiology of morbidity and mortality in critical neonates. There has been much advancement in neonatal respiratory care, but a few neonates with severe respiratory failure continue to be candidates for extracorporeal membrane oxygenation or survive with chronic lung diseases (CLD).
