NGO Diplomacy: The Influence of Nongovernmental ...

According to Betsill, " academic interest in the role of these actors in global environmental politics has exploded since the early 1990s, and a growing body of evidence indicates that NGOs influence government decisions to develop domestic policies to protect natural resources and to negotiate international treaties, as well as how individuals perceive environmental problems " (Betsill 2).

Non-Governmental Organizations as Diplomatic Actors ...

Over the past thirty years nongovernmental organizations (NGOs) have played an increasingly influential role in international negotiations, particularly on environmental issues. NGO diplomacy has become, in the words of one organizer, an " international experiment in democratizing intergovernmental decision making. " .

NGO Diplomacy | The MIT Press

Scholars in the NGO literature have typically focused on either top-down or bottom-up relationships between states and NGOs. In top-down relationship, states tend to influence NGOs by providing resources and controlling available funding. In contrast, bottom-up relationships view NGO decision-making processes as independent from host governments.
