Obstetrics And Gynecology

Obstetrics & Gynecology is the official publication of the American College of Obstetricians and Gynecologists (ACOG). Popularly known as "The Green Journal," Obstetrics & Gynecology has been published since 1953.

Obstetrics & Gynecology

Obstetrics and gynaecology or obstetrics and gynecology is the medical specialty that encompasses the two subspecialties of obstetrics and gynecology. It is commonly abbreviated as OB-GYN or OB/GYN in US English, and as obs and gynae or O&G in British English. Postgraduate training programs for both fields are usually combined, preparing the practicing obstetrician-gynecologist to be adept both at the care of female reproductive organs' health and at the management of pregnancy, although many do

Obstetrics and gynaecology - Wikipedia

Obstetrics and gynecology, medical/surgical specialty concerned with the care of women from pregnancy until after delivery and with the diagnosis and treatment of disorders of the female reproductive tract. The medical care of pregnant women (obstetrics) and of female genital diseases (gynecology)
