Giraffe OmniBed

With the Integrated Resuscitation System for your Panda and Giraffe warmers, you have everything you need to quickly deliver neonatal resuscitation therapy to your high-risk newborns.

Integrated Resuscitation Systems | GE Healthcare

In 2003, GE Healthcare acquired Instrumentarium's Datex-Ohmeda division which manufactured anesthesia, respiratory, and monitoring equipment. The Datex Ohmeda brand has remained popular in the marketplace and is still branded on select GE equipment. GE has continued to evolve these lines and indications are that GE is reducing the prevalence of the brand in favor of its own on newer models.

Datex-Ohmeda Medical Equipment
