What sort of a life

do you make for

yourself when

there is no focus?
How does your life
pan out as you
ride the
vicissitudes of a
dog eat dog, cut

market? How do
you chase your
dreams into
adulthood to find
love, happiness

and success,
when you carry
inside yourself a
childhood,
dejected, insecure,
unstable and with
what tiny morsel of
confidence you
possess – in
tatters, because
you've been at the
mercy of a bullying

control freak –
your own father? I
have survived so
much mental
anguish with
confidence
renewed following
a difficult and
painful education
in Blackpool. After
handwriting 100
letters, I landed my

first job - cutting
my teeth as a
London-based
portrait and
wedding
photographer in
early summer
1986. A life on the
ocean wave then
beckoned, which
turned me from
nervous novice

working aboard

worldwide. In 1990
I settled down, met

photographer. In
the late 1990s I
qualified as a
Hendon-based
instructor, leaving
the police in 2004
to set up a
business. If that
wasn't enough, I
then retrained as a
medical

photographer in
2008 and I'm now
a medical
photography
manager working
for Blackpool
Teaching Hospitals
NHS Foundation
Trust. Both journey
and path to
success have

the making.
